THIS SUBRECIPIENT AGREEMENT is entered into by the State of Florida, Department of Economic Opportunity, (hereinafter referred to as "DEO") and the Town of Southwest Ranches, Florida, hereinafter referred to as the "Subrecipient" (each individually a "Party" and collectively "the Parties").

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

WHEREAS, pursuant to Public Law (P.L.) P.L. 115-123 Bipartisan Budget Act of 2018 and Additional Supplemental Appropriations for Disaster Relief Act 2018 (approved February 9, 2018), and P.L. 116-20 Supplemental Appropriations for Disaster Relief Requirements Act, 2019 (approved June 6, 2019), Division B, Subdivision 1 of the Bipartisan Budget Act of 2018, P.L. 115-56, the "Continuing Appropriations Act, 2018"; and the requirements of the Federal Register (FR) notices entitled "Allocations, Common Application, Waivers, and Alternative Requirements for Community Development Block Grant Mitigation Grantees", 84 FR 45838 (August 30, 2019) and "Allocations, Common Application, Waivers, and Alternative Requirements for Community Development Block Grant Disaster Recovery Grantees" (CDBG Mitigation) 86 FR 561 (January 6, 2021);(hereinafter collectively referred to as the "Federal Register Guidance"), the U.S. Department of Housing and Urban Development (hereinafter referred to as "HUD") has awarded Community Development Block Grant–Mitigation (CDBG-MIT) funds to DEO for mitigation activities authorized under Title I of the Housing and Community Development Act of 1974 (HCDA) (42 United States Code (U.S.C.) § 5301 *et seq.*) and applicable implementing regulations at 24 C.F.R. part 570 and consistent with the Appropriations Act.

WHEREAS, CDBG-MIT funds made available for use by the Subrecipient under this Agreement constitute a subaward of the DEO Federal award, the use of which must be in accordance with requirements imposed by Federal statutes, regulations and the terms and conditions of DEO's Federal award.

WHEREAS, the Subrecipient has legal authority to enter into this Agreement and by signing this Agreement, the Subrecipient represents and warrants to DEO that it will comply with all the requirements of the subaward described herein.

WHEREAS, all CDBG-MIT activities carried out by the Subrecipient will: (1) meet the definition of mitigation activities. For the purpose of this funding, mitigation activities are defined as those activities that increase resilience to disasters and reduce or eliminate the long-term risk of loss of life, injury, damage to and loss of property, and suffering and hardship, by lessening the impact of future disasters; (2) address the current and future risks as identified in DEO's Mitigation Needs Assessment of most impacted and distressed area(s); (3) be CDBG-eligible activities under the HCDA or otherwise eligible pursuant to a waiver or alternative requirement; and (4) meet a national objective, including additional criteria for mitigation activities and a Covered Project.

NOW THEREFORE, DEO and the Subrecipient agree to the following:

(1) SCOPE OF WORK

The Scope of Work for this Agreement includes Attachment A, Project Description and Deliverables. With respect to Attachment B, Project Budget, and Attachment C, Activity Work Plan, the Subrecipient shall submit to DEO such Attachments in conformity with the current examples attached hereto as necessary and appropriate. Provided further, if there is a disagreement between the Parties, with respect to the formatting and contents of such attachments, then DEO's decisions with respect to same shall prevail, at DEO's sole and absolute discretion.

(2) INCORPORATION OF LAWS, RULES, REGULATIONS AND POLICIES

Subrecipient has diligently reviewed this Agreement and is a sophisticated organization having experience managing projects with funds made available through federal grants. Subrecipient is familiar with DEO's grant agreement with HUD, has reviewed applicable CDBG-MIT regulations and guidelines, will conduct, and will ensure its activities are in compliance with DEO's grant agreement with HUD and all applicable CDBG-MIT regulations and guidelines. Subrecipient agrees to abide by all applicable State and Federal laws, rules and regulations, as now in effect and as may be amended from time to time, including but not limited to, the Federal laws and regulations set forth in 24 CFR Part 570, applicable Federal Register Notices, the State's Action Plan, and all applicable CDBG-MIT regulations and guidelines.

Subrecipient shall ensure that all its activities under this Contract shall be conducted in conformance with these provisions, as applicable: 45 CFR Part 75, 29 CFR Part 95, 2 CFR Part 200, 20 CFR Part 601, 24 CFR Part 570 subpart I, *et seq.*, and all other applicable federal laws, regulations, and policies governing the funds provided under this Agreement as now in effect and as may be amended from time to time.

(3) PERIOD OF AGREEMENT

This Agreement is effective as of the date DEO executes this Agreement (the "Effective Date") and ends forty-eight (48) months after execution by DEO, unless otherwise terminated as set forth herein.

(4) RENEWAL AND EXTENSION

This Agreement shall not be renewed. DEO shall not grant any extension of this Agreement unless the Subrecipient provides justification satisfactory to DEO in its sole discretion and DEO's Director of the Division of Community Development approves such extension in writing

(5) MODIFICATION OF AGREEMENT

Modifications to this Agreement shall be valid only when executed in writing by the Parties. Any modification request by the Subrecipient constitutes a request to negotiate the terms of this Agreement. DEO may accept or reject any proposed modification based on DEO's sole determination and absolute discretion, that any such acceptance or rejection is in the State's best interest.

(6) RECORDS

(a) The Subrecipient's performance under this Agreement shall be subject to 2 CFR part 200 – Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards as now in effect and as may be amended from time to time.

(b) Representatives of DEO, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability,

and representatives of the Federal government and their duly authorized representatives shall have access to any of the Subrecipient's books, documents, papers and records, including electronic storage media, as they may relate to this Agreement, for the purposes of conducting audits or examinations or making excerpts or transcriptions.

(c) The Subrecipient shall maintain books, records, and documents in accordance with generally accepted accounting procedures and practices which sufficiently and properly reflect all expenditures of funds provided by DEO under this Agreement.

(d) The Subrecipient will provide to DEO all necessary and appropriate financial and compliance audits in accordance with Paragraph (7), Audit Requirements and Attachments I and J herein and ensure that all related party transactions are disclosed to the auditor.

(e) The Subrecipient shall retain sufficient records to show its compliance with the terms of this Agreement and the compliance of all subrecipients, contractors, subcontractors and consultants paid from funds under this Agreement for a period of six (6) years from the date DEO issues the final closeout for this award. The Subrecipient shall also comply with the provisions of 24 CFR 570.493 and 24 CFR 570.502(a)(7)(ii). The Subrecipient shall further ensure that audit working papers are available upon request for a period of six (6) years from the date DEO issues the final closeout of this Agreement, unless extended in writing by DEO. The six-year period may be extended for the following reasons:

1. Litigation, claim or audit initiated before the six-year period expires or extends beyond the six-year period, in which case the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.
2. Records for the disposition of non-expendable personal property valued at \$1,000 or more at the time of acquisition shall be retained for six (6) years after final disposition.
3. Records relating to real property acquired shall be retained for six (6) years after the closing on the transfer of title.

(f) The Subrecipient shall maintain all records and supporting documentation for the Subrecipient and for all contractors, subcontractors and consultants paid from funds provided under this Agreement, including documentation of all program costs in a form sufficient to determine compliance with the requirements and objectives of the scope of work and all other applicable laws and regulations.

(g) The Subrecipient shall either (i) maintain all funds provided under this Agreement in a separate bank account or (ii) ensure that the Subrecipient's accounting system shall have sufficient internal controls to separately track the expenditure of all funds from this Agreement. Provided further, that the only option available for advanced funds is to maintain such advanced funds in a separate bank account. There shall be no commingling of funds provided under this Agreement with any other funds, projects or programs. DEO may, in its sole discretion, disallow costs made with commingled funds and require reimbursement for such costs as described herein, Subparagraph (22)(e), Repayments.

(h) The Subrecipient, including all of its employees or agents, contractors, subcontractors and consultants to be paid from funds provided under this Agreement, shall allow access to its records at reasonable times to representatives of DEO, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability or representatives of the Federal government or their duly authorized representatives. "Reasonable" shall ordinarily mean during normal business hours of 8:00 a.m. to 5:00 p.m., local time, Monday through Friday.

(7) AUDIT REQUIREMENTS

(a) The Subrecipient shall conduct a single or program-specific audit in accordance with the provisions of 2 CFR part 200 if it expends seven hundred fifty thousand dollars (\$750,000) or more in Federal awards from all sources during its fiscal year.

(b) Within sixty (60) calendar days of the close of Subrecipient's fiscal year, on an annual basis, the Subrecipient shall electronically submit a completed Audit Compliance Certification to audit@deo.myflorida.com, and DEO's grant manager; a blank version of which is attached hereto as

Attachment J . The Subrecipient's timely submittal of one completed Audit Compliance Certification for each applicable fiscal year will fulfill this requirement within all agreements (e.g., contracts, grants, memorandums of understanding, memorandums of agreement, economic incentive award agreements, etc.) between DEO and the Subrecipient.

(c) In addition to the submission requirements listed in Attachment I, Audit Requirements, the Subrecipient shall send an electronic copy of its audit report to DEO's grant manager for this Agreement by June 30 following the end of each fiscal year in which it had an open CDBG-MIT subgrant.

(d) Subrecipient shall also comply with the Federal Audit Clearinghouse rules and directives, including but not limited to the pertinent Report Submissions provisions of 2 C.F.R 200.512, when such provisions are applicable to this Agreement.

(8) REPORTS

Subrecipient shall provide DEO with all reports and information set forth in Attachment G, Reports. The monthly reports and administrative closeout reports must include the current status and progress of Subrecipient and all subcontractors in completing the work described in Attachment A, Scope of Work, and the expenditure of funds under this Agreement. Within 10 calendar days of a request by DEO, Subrecipient shall provide additional program updates or information. Without limiting any other remedy available to DEO, if all required reports and copies are not sent to DEO or are not completed in a manner acceptable to DEO, payments may be withheld until the reports are completed to DEO's satisfaction. DEO may also take other action as stated in Paragraph (13) Remedies or otherwise allowable by law.

(9) INSPECTIONS AND MONITORING

(a) Subrecipient shall cooperate and comply with DEO, HUD, and auditors with any inspections and will immediately provide access to records and financial statements as deemed necessary by DEO, HUD, and their respective auditors at least in accordance with requirements of 2 CFR part 200 and 24 CFR 570.489.

(b) Subrecipient shall cooperate and comply with monitoring of its activities as deemed necessary by DEO to ensure that the subaward is used for authorized purposes in compliance with federal statutes, regulations, and this Agreement.

(c) Without limiting the actions DEO, HUD, or their respective investigators may take, monitoring procedures will include at a minimum: (1) reviewing financial and performance reports required by DEO; (2) following-up and ensuring Subrecipient takes timely and appropriate action on all deficiencies pertaining to the federal award provided to Subrecipient from DEO as detected through audits, on-site reviews and other means; and (3) issuing a management decision for audit findings pertaining to this Federal award provided to Subrecipient from DEO as required by 2 CFR §200.521.

(d) Corrective Actions: DEO may issue management decisions and may consider taking enforcement actions if noncompliance is detected during audits. DEO may require Subrecipient to take timely and appropriate action on all deficiencies pertaining to the federal award provided to Subrecipient from the pass-through entity as detected through audits, on-site reviews and other means. In response to audit deficiencies or other findings of noncompliance with this agreement, DEO may in its sole discretion and without advance notice, impose additional conditions on the use of the CDBG-MIT funds to ensure future compliance or provide training and technical assistance as needed to correct noncompliance. DEO may also take other action as stated in Paragraph (13) Remedies or otherwise allowable by law.

(10) DUPLICATION OF BENEFITS

Subrecipient shall not carry out any of the activities under this Agreement in a manner that results in a prohibited duplication of benefits as defined by Section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act of 1974 (42 U.S.C. 5155 *et seq.*) and described in Appropriations Acts. Subrecipient must comply with HUD's requirements for duplication of benefits, as described in the Federal Register and HUD guidance (including HUD training materials). Subrecipient shall carry out the activities under this

Agreement in compliance with DEO's procedures to prevent duplication of benefits. Subrecipient shall sign a Subrogation Agreement (See Attachment M).

(11) LIABILITY

(a) If Subrecipient is a state agency or subdivision, as defined in Section 768.28(2), F.S., pursuant to Section 768.28(19), F.S., neither Party indemnifies nor insures or assumes any liability for the other Party for the other Party's negligence.

(b) Subrecipient assumes sole responsibility for the training and oversight of the parties it deals with or employs to carry out the terms of this Agreement to the extent set forth in Section 768.28, Florida Statutes. Subrecipient shall hold DEO harmless against all claims of whatever nature arises from the work and services performed by third parties under this Agreement. For purposes of this Agreement, Subrecipient agrees that it is not an employee or agent of DEO but is an independent contractor.

(c) Subrecipient agrees to be fully responsible for its negligent or tortious acts or omissions, which result in claims or suits against DEO. Subrecipient agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in Section 768.28, F.S. Nothing herein shall be construed as consent by DEO to be sued by third parties in any matter arising out of any agreement, contract or subcontract.

(d) Nothing herein is intended to serve as a waiver of sovereign immunity by DEO or the Subrecipient.

(12) EVENTS OF DEFAULT

If any of the following events occur ("Events of Default"), DEO may, in its sole and absolute discretion, elect to terminate any obligation to make any further payment of funds, exercise any of the remedies available through this Agreement or pursue any remedy at law or in equity, without limitation:

(a) Any warranty or representation made by Subrecipient, in this Agreement or any previous agreement with DEO, is or becomes false or misleading in any respect, or if Subrecipient fails to keep or perform any of the obligations, terms, or covenants in this Agreement or any previous agreement with DEO or HUD, and/or has not cured them in timely fashion and/or is unable or unwilling to meet its obligations under this Agreement and/or as required by statute, rule, or regulation;

(b) Any material adverse change occurs in the financial condition of Subrecipient at any time during the term of this Agreement and the Subrecipient fails to cure this adverse change within thirty (30) calendar days from the date written notice is sent by DEO;

(c) If Subrecipient fails to submit any required report or submits any required report with incorrect, incomplete, or insufficient information or fails to submit additional information as requested by DEO;

(d) If Subrecipient fails to perform or timely complete any of its obligations under this Agreement, including participating in DEO's Implementation Workshop. The Parties agree that in the event DEO elects to make payments or partial payments after any Events of Default, it does so without waiving the right to exercise any remedies allowable herein or at law and without becoming liable to make any further payment.

(e) Neither Party shall be liable to the other for any delay or failure to perform under this Agreement if such delay or failure is neither the fault nor the negligence of the Party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available. However, in the event of delay from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party's performance obligation under this Agreement. If the delay is excusable under this paragraph, the delay will not result in any additional charge or cost under the Agreement to either Party. In the case of any delay

the Subrecipient believes is excusable under this paragraph, Subrecipient shall notify DEO in writing of the delay or potential delay and describe the cause of the delay either: (1) within ten (10) calendar days after the cause that creates or will create the delay first arose, if Subrecipient could reasonably foresee that a delay could occur as a result or (2) within five (5) calendar days after the date Subrecipient first had reason to believe that a delay could result, if the delay is not reasonably foreseeable. **THE FOREGOING SHALL CONSTITUTE SUBRECIPIENT'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. DEO, in its sole discretion, will determine if the delay is excusable under this paragraph and will notify Subrecipient of its decision in writing. No claim for damages, other than an extension of time, shall be asserted against DEO. Subrecipient shall not be entitled to an increase in the Agreement price or payment of any kind from DEO for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, Subrecipient shall perform at no increased cost, unless DEO determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to DEO or the State, in which case, DEO may do any or all of the following: (1) accept allocated performance or deliveries from Subrecipient, provided that Subrecipient grants preferential treatment to DEO with respect to products or services subjected to allocation; (2) purchase from other sources (without recourse to and by Subrecipient for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity or (3) terminate the Agreement in whole or in part.

(13) REMEDIES

If an Event of Default occurs, DEO may in its sole discretion and without limiting any other right or remedy available, provide thirty (30) calendar days written notice to the Subrecipient and if the Subrecipient fails to cure within those thirty (30) calendar days DEO may choose to exercise one or more of the following remedies, either concurrently or consecutively:

- (a) Terminate this Agreement upon written notice by DEO sent in conformity with Paragraph (17) Notice and Contact;
- (b) Begin any appropriate legal or equitable action to enforce performance of this Agreement;
- (c) Withhold or suspend payment of all or any part of a request for payment;
- (d) Demand Subrecipient return to DEO any funds used for ineligible activities or unallowable costs under this Agreement or any applicable law, rule or regulation governing the use of the funds; and
- (e) Exercise any corrective or remedial actions, including but not limited to:
 1. Request additional information from the Subrecipient to determine the reasons for or the extent of non-compliance or lack of performance;
 2. Issue a written warning to advise that more serious measures may be taken if the situation is not corrected; and/or
 3. Advise the Subrecipient to suspend, discontinue or refrain from incurring costs for any activities in question.
- (f) Exercise any other rights or remedies which may be otherwise available under law.

Pursuit of any of the above remedies does not preclude DEO from pursuing any other remedies in this Agreement or provided at law or in equity. Failure to exercise any right or remedy in this Agreement or failure by DEO to require strict performance does not affect, extend or waive any other right or remedy

available or affect the later exercise of the same right or remedy by DEO for any other default by the Subrecipient.

(14) DISPUTE RESOLUTION

DEO shall decide disputes concerning the performance of the Agreement, and document dispute decisions in writing and serve a copy of same to Subrecipient. All decisions are final and conclusive unless the Subrecipient files a petition for administrative hearing with DEO within twenty-one (21) days from the date of receipt of the decision. Exhaustion of administrative remedies prescribed in Chapter 120, F.S., is an absolute condition precedent to Subrecipient's ability to pursue any other form of dispute resolution; provided however, that the Parties may mutually agree to employ the alternative dispute resolution procedures outlined in Chapter 120, F.S.

(15) CITIZEN COMPLAINTS

The goal of DEO is to provide an opportunity to resolve complaints in a timely manner, usually within fifteen (15) business days of the receipt of the complaint as expected by HUD, if practicable, and to provide the right to participate in the process and appeal a decision when there is reason for an applicant to believe its application was not handled according to program policies. All applications, guidelines and websites will include details on the right to file a complaint or appeal and the process for filing a complaint or beginning an appeal.

Applicants are allowed to appeal program decisions related to one of the following activities:

- (a) A program eligibility determination,
- (b) A program assistance award calculation, or
- (c) A program decision concerning housing unit damage and the resulting program outcome.

Citizens may file a written complaint or appeal through the Office of Long-Term Resiliency email at CDBG-DR@deo.myflorida.com or submit by postal mail to the following address:

The Caldwell Building, MSC 400
Tallahassee, Florida 32399

The subrecipient will handle citizen complaints by conducting:

- (a) Investigations as necessary,
- (b) Resolution, and
- (c) Follow-up actions.

If the complainant is not satisfied by Subrecipient's determination, then the complainant may file a written appeal by following the instructions issued in the letter of response. If, at the conclusion of the appeals process, the complainant has not been satisfied with the response, a formal complaint may then be addressed directly to DEO at:

(16) TERMINATION

(a) DEO may immediately suspend or terminate this Agreement for cause by providing written notice, from the date notice is sent by DEO. Cause includes, but is not limited to: an Event of Default as set forth in this Agreement; Subrecipient's improper or ineffective use of funds provided under this Agreement; fraud; lack of compliance with any applicable rules, regulations, statutes, executive orders, HUD guidelines, policies, directives or laws; failure, for any reason, to timely and/or properly perform any of the Subrecipient's obligations under this Agreement; submission of reports that are incorrect or incomplete in any material respect and refusal to permit public access to any document, paper, letter or other material subject to disclosure under law, including Chapter 119, F.S., as amended. The aforementioned reasons for termination are listed in the immediately preceding sentence for illustration purposes but are not limiting DEO's sole and absolute discretion with respect to DEO's right to terminate this Agreement. In the event of suspension or termination, Subrecipient shall not be entitled to recover any cancellation charges or unreimbursed costs.

(b) DEO may unilaterally terminate this Agreement, in whole or in part, for convenience by providing Subrecipient fourteen (14) days written notice from the date notice is sent by DEO, setting forth the reasons for such termination, the effective date and, in the case of partial termination, the portion to be terminated. However, if in the case of partial termination, DEO determines that the remaining portion of the award will not accomplish the purpose for which the award was made, DEO may terminate the portion of the award which will not accomplish the purpose for which the award was made. Subrecipient shall continue to perform any work not terminated. In the event of termination for convenience, Subrecipient shall not be entitled to recover any cancellation charges or unreimbursed costs for the terminated portion of work.

(c) The Parties may terminate this Agreement for their mutual convenience in writing, in the manner agreed upon by the Parties, which must include the effective date of the termination.

(d) In the event that this Agreement is terminated, Subrecipient shall not incur new obligations under the terminated portion of the Agreement after the date Subrecipient has received the notification of termination. Subrecipient shall cancel as many outstanding obligations as possible. DEO shall disallow all costs incurred after Subrecipient's receipt of the termination notice. DEO may, to the extent authorized by law, withhold payments to Subrecipient for the purpose of set-off until the exact amount of damages due to DEO from Subrecipient is determined.

(e) Upon expiration or termination of this Agreement, Subrecipient shall transfer to DEO any CDBG-MIT funds on hand at the time of expiration or termination and any accounts receivable attributable to the use of CDBG-MIT funds.

(f) Any real property under Subrecipient's control that was acquired or improved in whole or in part with CDBG-MIT funds (including CDBG-MIT funds provided to the subrecipient in the form of a loan) in excess of \$25,000 must either:

1. Be used to meet a national objective until five years after expiration or termination of this Agreement, unless otherwise agreed upon by the Parties, or except as otherwise set forth herein; or
2. If not used to meet a national objective, Subrecipient shall pay to DEO an amount equal to the current market value of the property less any portion of the value attributable to expenditures of non-

CDBG-MIT funds for the acquisition or improvement of the property for five years after expiration or termination of this Agreement.

(g) The rights and remedies under this clause are in addition to any other rights or remedies provided by law or under this Agreement.

(17) NOTICE AND CONTACT

(a) All notices provided under or pursuant to this Agreement shall be in writing, either by hand delivery, first class or certified mail with return receipt requested, email with confirmation of receipt of email from Subrecipient, to the representative identified below at the address set forth below or said notification attached to the original of this Agreement.

Subrecipient shall retain all rights and entitlements to any pre-existing intellectual property which is so disclosed. (26) LEGAL AUTHORIZATION

(a) Subrecipient certifies that it has the legal authority to receive the funds under this Agreement and that its governing body has authorized the execution and acceptance of this Agreement. Subrecipient certifies that the undersigned person has the authority to legally execute and bind the Subrecipient to the terms of this Agreement. DEO may, at its discretion, request documentation evidencing the undersigned has authority to bind Subrecipient to this Agreement as of the date of execution; any such documentation is incorporated herein by reference.

(b) Prior to the execution of this Agreement, Subrecipient warrants that, to the best of its knowledge, there is no pending or threatened action, proceeding, investigation or any other legal or financial condition that would in any way prohibit, restrain or diminish Subrecipient's ability to satisfy its obligations. Subrecipient shall immediately notify DEO in writing if its ability to perform is compromised in any manner during the term of this Agreement.

(27) PUBLIC RECORD RESPONSIBILITIES

(a) In addition to Subrecipient's responsibility to directly respond to each request it receives for records, in conjunction with this Agreement and to provide the applicable public records in response to such request, Subrecipient shall notify DEO of the receipt and content of all such requests by sending an email to PRRequest@deo.myflorida.com within one (1) business day from receipt of the request.

(b) Subrecipient shall keep and maintain public records required by DEO to perform the Subrecipient's responsibilities hereunder. Subrecipient shall, upon request from DEO's custodian of

public records, provide DEO with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided by Chapter 119, F.S., or as otherwise provided by law. Subrecipient shall allow public access to all documents, papers, letters or other materials made or received by the Subrecipient in conjunction with this Agreement, unless the records are exempt from Article I, Section 24(a) of the Florida Constitution and Section 119.07(1), F.S. For records made or received by Subrecipient in conjunction with this Agreement, Subrecipient shall respond to requests to inspect or copy such records in accordance with Chapter 119, F.S. For all such requests for records that are public records, as public records are defined in Section 119.011, F.S., Subrecipient shall be responsible for providing such public records per the cost structure provided in Chapter 119, F.S., and in accordance with all other requirements of Chapter 119, F.S., or as otherwise provided by law.

(c) This Agreement may be terminated by DEO for refusal by Subrecipient to comply with Florida's public records laws or to allow public access to any public record made or received by the Subrecipient in conjunction with this Agreement.

(d) If, for purposes of this Agreement, Subrecipient is a "contractor" as defined in Section 119.0701(1)(a), F.S. ("Subrecipient-contractor"), the Subrecipient-contractor shall transfer to DEO, at no cost to DEO, all public records upon completion including termination, of this Agreement or keep and maintain public records required by DEO to perform the service. If Subrecipient-contractor transfers all public records to the public agency upon completion of this Agreement, Subrecipient-contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Subrecipient-contractor keeps and maintains public records upon completion of the Agreement, the Subrecipient-contractor shall meet all applicable requirements for retaining public records in accordance with Chapters 119 and 257, F.S. All records stored electronically must be provided to DEO, upon request from DEO's custodian of public records, in a format that is compatible with the information technology systems of DEO.

(e) If DEO does not possess a record requested through a public records request, DEO shall notify Subrecipient-contractor of the request as soon as practicable, and the Subrecipient-contractor must provide the records to DEO or allow the records to be inspected or copied within a reasonable time, but in all cases within fourteen business days. If the Subrecipient-contractor does not comply with DEO's request for records, DEO shall enforce the provisions set forth in this Agreement. Subrecipient-contractor who fails to provide public records to DEO within a reasonable time may be subject to penalties under Section 119.10, F.S.

(f) Subrecipient shall notify DEO verbally within twenty-four (24) hours and in writing within seventy-two (72) hours if any data in the Subrecipient's possession related to this Agreement is subpoenaed or improperly used, copied or removed (except in the ordinary course of business) by anyone except an authorized representative of DEO. Subrecipient shall cooperate with DEO, in taking all steps as DEO deems advisable, to prevent misuse, regain possession or otherwise protect the State's rights and the data subject's privacy.

(g) Subrecipient acknowledges DEO is subject to the provisions of Chapter 119, F.S., relating to public records and that reports, invoices and other documents Subrecipient submits to DEO under this Agreement constitute public records under Florida Statutes. Subrecipient shall cooperate with DEO regarding DEO's efforts to comply with the requirements of Chapter 119, F.S.

(h) If Subrecipient submits records to DEO that are confidential and exempt from public disclosure as trade secrets or proprietary confidential business information, such records should be identified as such by Subrecipient prior to submittal to DEO. Failure to identify the legal basis for each exemption from the requirements of Chapter 119, F.S., prior to submittal of the record to DEO serves as the Subrecipient's waiver of a claim of exemption. Subrecipient shall ensure public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for

the duration of this Agreement term and following completion of this Agreement if the Subrecipient-contractor does not transfer the records to DEO upon completion, including termination, of this Agreement.

(i) IF SUBRECIPIENT-CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE SUBRECIPIENT-CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS by telephone at 850-245-7140, via email at PRRequest@deo.myflorida.com, or by mail at Department of Economic Opportunity, Public Records Coordinator, 107 East Madison Street, Caldwell Building, Tallahassee, Florida 32399-4128.

(j) To the extent allowable by law, Subrecipient shall be fully liable for the actions of its agents, employees, partners, contractors and subcontractors and shall fully indemnify, defend, and hold harmless the State and DEO, and their officers, agents and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to public record requests or public record law violation(s), alleged to be caused in whole or in part by the Subrecipient, its agents, employees, partners, contractors or subcontractors, provided, however, Subrecipient does not indemnify for that portion of any costs or damages proximately caused by the negligent act or omission of the State or DEO. DEO, in its sole discretion, has the right, but not the obligation, to enforce this indemnification provision.

(k) DEO does not endorse any Subrecipient, commodity, or service. Subject to Chapter 119, F.S., Subrecipient shall not publicly disseminate any information concerning this Agreement without prior written approval from DEO, including, but not limited to, mentioning this Agreement in a press release or other promotional material, identifying DEO or the State as a reference, or otherwise linking Subrecipient's name and either a description of the Agreement or the name of DEO or the State in any material published, either in print or electronically, to any other entity that is not a Party to this Agreement, except potential or actual employees, agents, representatives or subcontractors with the professional skills necessary to perform the work services required by the Agreement.

(l) Subrecipient shall comply with the requirements set forth in Section 119.0701, F.S., when entering into any public agency contract for services after the Effective Date of this Agreement. Subrecipient shall amend each of the Subrecipient's public agency contracts for services already in effect as of the Effective Date of this Agreement and which contract will or may be funded in whole or in part with any public funds. DEO may terminate this Agreement if the Subrecipient does not comply with this provision.

(28) EMPLOYMENT ELIGIBILITY VERIFICATION

(a) Section 448.095, F.S., requires the following:

1. Every public employer, contractor, and subcontractor shall register with and use the E-Verify system to verify the work authorization status of all newly hired employees. A public employer, contractor, or subcontractor may not enter into a contract unless each party to the contract registers with and uses the E-Verify system.

2. A private employer shall, after making an offer of employment which has been accepted by a person, verify such person's employment eligibility. A private employer is not required to verify the employment eligibility of a continuing employee hired before January 1, 2021. However, if a

person is a contract employee retained by a private employer, the private employer must verify the employee's employment eligibility upon the renewal or extension of his or her contract.

(b) E-Verify is an Internet-based system that allows an employer, using information reported on an employee's Form I-9, Employment Eligibility Verification, to determine the eligibility of all new employees hired to work in the United States. There is no charge to employers to use E-Verify. The Department of Homeland Security's E-Verify system can be found at:

<https://www.e-verify.gov/>

(c) If the Recipient does not use E-Verify, the Recipient shall enroll in the E-Verify system prior to hiring any new employee or retaining any contract employee after the effective date of this Agreement.

(29) PROGRAM INCOME

(a) The Subrecipient shall report to DEO all program income (as defined at 24 CFR § 570.500(a) or in the Federal Register Guidance governing the CDBG-MIT funds) generated by activities carried out with CDBG-MIT funds made available under this Agreement as part of the Subrecipient's Quarterly Progress Report. The Subrecipient shall use program income in accordance with the applicable requirements of 2 CFR part 200, 24 CFR part 570.489, 570.500, 570.504 and the terms of this Agreement.

(b) Program income generated after closeout shall be returned to DEO. Program income generated prior to closeout shall be returned to DEO unless the program income is used to fund additional units of CDBG-MIT activities, specified in a modification to this Agreement and duly executed prior to administrative closeout.

(30) NATIONAL OBJECTIVES

All activities funded with CDBG-MIT funds must meet the criteria for one of the CDBG program's National Objectives. The Subrecipient certifies that the activities carried out under this Agreement shall meet the following national objectives and satisfy the following criteria:

- (a) Benefit low and moderate income;
- (b) Meet a particularly urgent need;
- (c) Aid in the prevention or elimination of slums or blight.

(31) INDEPENDENT CONTRACTOR

(a) In Subrecipient's performance of its duties and responsibilities under this Agreement, it is mutually understood and agreed Subrecipient is at all times acting and performing as an independent contractor. Nothing in this Agreement is intended to or shall be deemed to constitute an employer/employee relationship, partnership or joint venture between the Parties. Subrecipient shall at all times remain an independent contractor with respect to the services to be performed under this Agreement. Nothing in this Agreement shall be construed to create any agency or employment relationship between DEO Subrecipient, its employees, subcontractors or agents. Neither Party shall have any right, power or authority to assume, create or incur any expense, liability or obligation, express or implied, on behalf of the other.

(b) Subrecipient, its officers, agents, employees, subcontractors or assignees, in performance of this Agreement shall act in the capacity of an independent contractor and not as an officer, employee, agent, joint venturer, or partner of the State of Florida.

(c) Subrecipient shall have sole right to control the manner, method and means by which the services required by this Agreement are performed. DEO shall not be responsible to hire, supervise or pay Subrecipient's employees. Neither Subrecipient, nor its officers, agents, employees, subcontractors or assignees are entitled to State retirement or State leave benefits, or to any other compensation of State employment as a result of performing the duties and obligations of this Agreement.

(d) Subrecipient agrees to take such actions as may be necessary to ensure that each subcontractor will be deemed to be an independent contractor and will not be considered or permitted to be an agent, employee, servant, joint venturer or partner of the State of Florida.

(e) Unless justified by the Subrecipient, and agreed to by DEO in the Scope of Work, DEO will not furnish services of support (*e.g.*, office space, office supplies, telephone service, secretarial or clerical support) to the Subrecipient or its subcontractor or assignee.

(f) DEO shall not be responsible for withholding taxes with respect to the Subrecipient's use of funds under this Agreement. Attachment A – Project Description and Deliverables

1. PROGRAM DESCRIPTION: In April 2018, the U.S. Department of Housing and Urban Development (HUD) announced the State of Florida, Department of Economic Opportunity (DEO) would receive \$633,485,000 in funding to support long-term mitigation efforts following declared disasters in 2016 and 2017 through HUD's Community Development Block Grant Mitigation (CDBG-MIT) program. Awards will be distributed on a competitive basis targeting HUD designated Most Impacted and Distressed (MID) Areas, primarily addressing the Benefits to Low-to-Moderate Income (LMI) National Objective. Additional information may be found in the Federal Register, Vol. 84, No. 169

The Florida Department of Economic Opportunity (DEO) has apportioned the Federal Award to include the following initiatives: Critical Facility Hardening Program \$75,000,000; General Planning Support Program \$20,000,000; General Infrastructure Program \$475,000,000; and State Planning and Administration \$63,485,000.

This award had been granted under the **General Planning Support Program**. Projects eligible for, but not limited to, funding under this program are:

- Regional mitigation plans
- Modernization and resiliency planning
- Comprehensive, capital improvement, and community development plans
- Floodplain and wetland management plans
- Land use and urban environment plans
- Integration of mitigation plans with other planning initiatives

2. PROJECT DESCRIPTION: The Town of Southwest Ranches has been awarded Two Hundred Fifty Thousand Dollars and Zero Cents (**\$250,000.00**) in CDBG-MIT (Community Development Block Grant – Mitigation) funding to develop a Stormwater Master Plan (SWMP) to provide long-range comprehensive stormwater management planning. This will be achieved through the accumulation and evaluation of data such as topography, hydrology, stormwater inventory, tidal charting, and condition assessments of current flooding and water quality problem areas. The primary goal of the SWMP is to create a comprehensive document that clearly identifies and prioritizes areas of the town that require stormwater infrastructure, a path to reduce flood risk, an increase in water quality and attenuation, and help ensure compliance with drainage related aspects of the town's Comprehensive Plan. Once the flood prone areas have been identified and modeled, a capital improvement plan will be developed to assist with project prioritization.

The project will meet the Urgent Need National Objective with a service area LMI of 16.1%. Project is estimated to begin October 15, 2021, and will be completed 14 months after agreement execution. The team overseeing the project includes: Public Works Director, Community Services Manager, and selected contractor(s).

3. SUBRECIPIENT RESPONSIBILITIES:

- A. Complete and submit to DEO within thirty (30) days of Agreement execution a staffing plan which must be reviewed and approved by the DEO Grant Manager prior to implementation. Should any changes to the staffing plan be deemed necessary, an updated plan must be submitted to DEO for review and approval. The Staffing plan must include the following:
 1. Organizational Chart; and
 2. Job descriptions for Subrecipient's employees, contracted staff, vendors, and contractors.

- B. Develop and submit a copy of the following policies and procedures to the DEO Grant Manager for review and approval within thirty (30) days of Agreement execution. The DEO Grant Manager will provide approval in writing prior to the policies and procedures being implemented.

The Subrecipient will adhere to the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. 6101-6107) (Age Discrimination Act) and the prohibitions against discrimination on the basis of disability under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) (Section 504). Section 109 of the HCDA makes these requirements applicable to programs or activities funded in whole or in part with CDBG-MIT funds. Thus, the Subrecipient shall comply with regulations of 24 CFR part 8, which implement Section 504 for HUD programs, and the regulations of 24 CFR part 146, which implement the Age Discrimination Act for HUD programs.

b. Architectural Barriers Act and the Americans with Disabilities Act

The Subrecipient shall ensure that its activities are consistent with requirements of Architectural Barriers Act and the Americans with Disabilities Act. The Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) requires certain Federal and Federally funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that ensure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed or altered with funds allocated or reallocated under this part after December 11, 1995 and meets the definition of "residential structure" as defined in 24 CFR 40.2 or the definition of "building" as defined in 41 CFR 101-19.602(a) is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (appendix A to 24 CFR part 40 for residential structures, and appendix A to 41 CFR part 101-19, subpart 101-19.6, for general type buildings).

The Americans with Disabilities Act (42 U.S.C. 12131; 47 U.S.C. 155, 201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

c. State and Local Nondiscrimination Provisions

The Subrecipient must comply with the Florida Small and Minority Business Assistance Act (§§ 288.703-288.706, F.S.); Title VI of the Civil Rights Act of 1964 (24 CFR part 1)

(1) General Compliance

The Subrecipient shall comply with the requirements of Title VI of the Civil Rights Act of 1964 (P.L. 88-352), as amended. No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity funded by this agreement. The specific nondiscrimination provisions at 24 CFR 1.4 apply to the use of these funds. The Subrecipient shall not intimidate, threaten, coerce or discriminate against any person for the purpose of interfering with any right or privilege secured by title VI of the Civil Rights Act of 1964 or 24 CFR part 1, or because he has made a complaint, testified, assisted or participated in any manner in an investigation, proceeding or hearing under 24 CFR part 1. The identity of complainants shall

be kept confidential except to the extent necessary to carry out the purposes of 2 CFR part 1, including the conduct of any investigation, hearing or judicial proceeding arising thereunder.

(2) Assurances and Real Property Covenants

As a condition to the approval of this Agreement and the extension of any Federal financial assistance, the Subrecipient assures that the program or activities described in this Agreement will be conducted and the housing, accommodations, facilities, services, financial aid or other benefits to be provided will be operated and administered in compliance with all requirements imposed by or pursuant to this part 1.

If the Federal financial assistance under this agreement is to provide or is in the form of personal property or real property or interest therein or structures thereon, the Subrecipient's assurance herein shall obligate the Subrecipient or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases, the assurance shall obligate the Subrecipient for the period during which Federal financial assistance is extended pursuant to the contract or application. This assurance gives DEO and the United States a right to seek judicial enforcement of the assurance and the requirements on real property.

In the case of real property, structures or improvements thereon, or interests therein, acquired with Federal financial assistance under this Agreement or acquired with CDBG-MIT funds and provided to the Subrecipient under this Agreement, the instrument effecting any disposition by the Subrecipient of such real property, structures or improvements thereon, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If the Subrecipient receives real property interests or funds or for the acquisition of real property interests under this Agreement, to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance, the nondiscrimination requirements of this part 1 shall extend to any facility located wholly or in part in such space.

d. Affirmative Action

(1) Approved Plan

The Subrecipient agrees that it shall carry out pursuant to DEO's specifications an Affirmative Action Program in compliance with the President's Executive Order 11246 of September 24, 1966, as amended, and implementing regulations at 42 CFR 60. DEO shall provide Affirmative Action guidelines to the Subrecipient to assist in the formulation of such program. The Subrecipient shall submit a plan for an Affirmative Action Program for approval prior to the release of funds under this agreement.

(2) Women- and Minority-Owned Businesses (W/MBE)

The Subrecipient shall take the affirmative steps listed in 2 CFR 200.321(b)(1) through (5) to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible when the Subrecipient procures property or services under this agreement.

(3) Notifications

The Subrecipient will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or worker's representative of the Subrecipient's commitments hereunder, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) Equal Employment Opportunity and Affirmative Action (EEO/AA) Statement

The Subrecipient shall, in all solicitations or advertisements for employees placed by or on behalf of the Subrecipient, state that it is an Equal Opportunity or Affirmative Action employer.

9. Labor and Employment

Labor Standards

The Subrecipient shall comply with the in labor standards in Section 110 of the Housing and Community Development Act of 1974, as amended and ensure that all laborers and mechanics employed by contractors or subcontractors in the performance of construction work financed in whole or in part with assistance received under this agreement shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis- Bacon Act, as amended (40 U.S.C. 3141, *et seq.*) and 29 CFR part 1, 3, 5, 6 and 7, provided, that this requirement shall apply to the rehabilitation of residential property only if such property contains not less than 8 units.

The Subrecipient agrees to comply with the Copeland Anti-Kick Back Act (18 U.S.C. 874) and its implementing regulations of the U.S. Department of Labor at 29 CFR part 3 and part 5. The Subrecipient shall maintain documentation that demonstrates compliance with applicable hour and wage requirements. Such documentation shall be made available to DEO for review upon request.

Section 3(b)(2) of the 1937 Act defines this term to mean families (including single persons) whose incomes do not exceed 80 per centum of the median income for the area, as determined by the Secretary, with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher and or lower than 80 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of prevailing levels of construction costs or unusually high or low—income families; or (ii) A very low-income person, as this term is defined in Section 3(b)(2) of the 1937 Act (42 U.S.C. 1437 a(b)(2)). Section 3(b)(2) of the 1937 Act (42 U.S.C. 1437a(b)(2)) defines this term to mean families (including single persons) whose incomes do not exceed 50 per centum of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.

Attachment F – Civil Rights Compliance

Fair Housing

As a condition for the receipt of CDBG-MIT funds, each Subrecipient must certify that it will "affirmatively further fair housing" in its community. A Subrecipient shall demonstrate its commitment to affirmatively further fair housing by implementing the actions listed below.

Each Subrecipient shall do the following:

1. Have in place a fair housing resolution or ordinance that covers all Federally protected classes (race, color, familial status, handicap, national origin, religion and sex);
2. Designate an employee as the Fair Housing Coordinator who is available during regular business hours to receive fair housing calls;
3. Publish the Fair Housing Coordinator's contact information quarterly in a newspaper of general circulation in the Subrecipient's jurisdiction so that people know who to call to ask fair housing questions or register a complaint. Alternatively, the Subrecipient can post the coordinator's contact information throughout the quarter on the home page of its website;
4. Establish a system to record the following for each fair housing call:
 - a) The nature of the call,
 - b) The actions taken in response to the call,
 - c) The results of the actions taken and
 - d) If the caller was referred to another agency, the results obtained by the referral agency;
5. Conduct at least one fair housing activity each quarter. Identical activities (see examples below) shall not be conducted in consecutive quarters; and
6. Display a fair housing poster in the CDBG-MIT Office. (This does not count as a fair housing activity.)

The Subrecipient shall ensure that the fair housing contact person has received training so that he/she can handle fair housing phone inquiries or refer the inquiries to the appropriate people/agencies. Records maintained by the contact will help the community do the following:

1. Define where discriminatory practices are occurring,
2. Help the community measure the effectiveness of its outreach efforts, and
3. Provide the community with a means to gain information that can be used to design and implement strategies that will eliminate fair housing impediments.

Examples of fair housing activities include the following:

1. Making fair housing presentations at schools, civic clubs and neighborhood association meetings;
2. Conducting a fair housing poster contest or an essay contest;
3. Manning a booth and distributing fair housing materials at libraries, health fairs, community events, yard sales and church festivals; and
4. Conducting fair housing workshops for city/county employees, realtors, bank and mortgage company employees, insurance agents and apartment complex owners.

Printing a fair housing notice on a utility bill is no longer accepted as a fair housing activity; however, mailing a DEO-approved fair housing brochure as an insert with utility bills will be accepted as an activity. Placing posters in public buildings does not meet the requirement for a fair housing activity.

The Subrecipient shall document its fair housing activities by keeping photographs, newspaper articles, sign-in sheets and copies of handouts in their CDBG-MIT project file and include information about the activities in the comment section of each quarterly report.

Equal Employment Opportunity

As a condition for the receipt of CDBG-MIT funds, each Subrecipient must certify that it and the contractors, subcontractors, subrecipients and consultants that it hires with CDBG-MIT funds will abide by the Equal Employment Opportunity (EEO) Laws of the United States. A Subrecipient shall demonstrate its commitment to abide by the laws through the actions listed below.

Each Subrecipient shall do the following:

1. Have in place an equal employment opportunity resolution or ordinance that protects its applicants and employees and the applicants and employees of its contractors, subcontractors, subrecipients and consultants from discrimination in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral and other aspects of employment, on the basis of race, color, religion, sex, national origin, disability, age or genetics;
2. Designate an employee as the EEO Coordinator who is available during regular business hours to receive EEO calls;
3. Publish the EEO Coordinator's contact information quarterly in a newspaper of general circulation in the Subrecipient's jurisdiction so that people know who to call to ask EEO questions or register a complaint. Alternatively, the Subrecipient can post the coordinator's contact information throughout the quarter on the home page of its website; and
4. Establish a system to record the following for each EEO call:
 - a) The nature of the call,
 - b) The actions taken in response to the call and
 - c) The results of the actions taken;
5. Each Subrecipient shall maintain a list of certified minority-owned business enterprises (MBE) and women-owned business enterprises (WBE) that operate in its region. The Subrecipient shall use this list to solicit companies to bid on CDBG-MIT-funded construction activities and shall provide a copy of the list to the prime contractor(s) to use when it hires subcontractors and consultants. The Department of Management Services maintains a list of certified minority- and women-owned businesses that can be used to develop a local MBE/WBE list at the following website: <https://osd.dms.myflorida.com/directories>.
6. Incorporate the Equal Employment Opportunity clause set forth in 41 CFR Part 60-1.4(b) into any contracts or subcontracts that meet the definition of "federally assisted construction contract" in 41 CFR 60-1.3.

Section 504 and the Americans with Disabilities Act (ADA)

As a condition for the receipt of CDBG-MIT funds, the Subrecipient must certify that it provides access to all federally funded activities to all individuals, regardless of handicap. The Subrecipient shall demonstrate its commitment to abide by the laws through the actions listed below.

The Subrecipient shall do the following:

1. Have in place a resolution or ordinance that is designed to eliminate discrimination against any person who:
 - a) Has a physical or mental impairment which substantially limits one or more major life activities,
 - b) Has a record of such an impairment or
 - c) Is regarded as having such an impairment;
2. Designate an employee as the Section 504/ADA Coordinator who is available during regular business hours to receive Section 504/ADA calls;
3. Publish the Section 504/ADA Coordinator's contact information quarterly in a newspaper of general circulation in the Subrecipient's jurisdiction so that people know who to call to ask Section 504/ADA questions or register a complaint. Alternatively, the Subrecipient can post the coordinator's contact information throughout the quarter on the home page of its website; and
4. Establish a system to record the following for each Section 504/ADA call:
 - a) The nature of the call,
 - b) The actions taken in response to the call and

- c) The results of the actions taken.

Section 504 prohibitions against discrimination (see 45 CFR part 84) apply to service availability, accessibility, delivery, employment and the administrative activities and responsibilities of organizations receiving Federal financial assistance. A Subrecipient of Federal financial assistance may not, on the basis of disability:

1. Deny qualified individuals the opportunity to participate in or benefit from Federally funded programs, services or other benefits,
2. Deny access to programs, services, benefits or opportunities to participate as a result of physical barriers, or
3. Deny employment opportunities, including hiring, promotion, training and fringe benefits, for which they are otherwise entitled or qualified.

The ADA regulations (Title II, 28 CFR part 35, and Title III, 28 CFR part 36) prohibit discrimination on the basis of disability in employment, State and local government, public accommodations, commercial facilities, transportation, and telecommunications. To be protected by the ADA, one must have a disability or have a relationship or association with an individual with a disability.

Title II covers all activities of state and local governments regardless of the government entity's size or receipt of Federal funding. Title II requires that State and local governments give people with disabilities an equal opportunity to benefit from all of their programs, services and activities (e.g. public education, employment, transportation, recreation, health care, social services, courts, voting and town meetings). State and local governments are required to follow specific architectural standards in the new construction and alteration of their buildings. They also must relocate programs or otherwise provide access in inaccessible older buildings, and communicate effectively with people who have hearing, vision or speech disabilities.

Title III covers businesses and nonprofit service providers that are public accommodations, privately operated entities offering certain types of courses and examinations, privately operated transportation and commercial facilities. Public accommodations are private entities who own, lease, lease to or operate facilities such as restaurants, retail stores, hotels, movie theaters, private schools, convention centers, doctors' offices, homeless shelters, transportation depots, zoos, funeral homes, day care centers and recreation facilities including sports stadiums and fitness clubs. Transportation services provided by private entities are also covered by Title III.

Section 3 - Economic Opportunities for Low- and Very Low-Income Persons

Each Subrecipient shall encourage its contractors to hire qualified low- and moderate-income residents for any job openings that exist on CDBG-MIT-funded projects in the community. The Subrecipient and its contractors shall keep records to document the number of low- and moderate-income people who are hired to work on CDBG-MIT-funded projects. The number of low- and moderate-income residents who are hired to work of the project shall be reported in the comment section of the quarterly report.

The following clause from 24 CFR § 135.38 is required to be included in CDBG-MIT-funded contracts of \$100,000 or more.

Section 3 Clause

1. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are Subrecipients of HUD assistance for housing.
2. The Parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
3. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or

workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

4. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
5. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
6. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default and debarment or suspension from future HUD assisted contracts.
7. With respect to work performed in connection with Section 3 covered Indian housing assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. § 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and Section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with Section 7(b).

Further, any real property under the Subrecipient's control that was acquired or improved in whole or in part with CDBG-MIT funds (including CDBG-MIT funds provided to the Subrecipient in the form of a loan) shall be treated in accordance with 24 CFR 570.503(b)(7).

4. Financial Management

The Subrecipient's financial management system must comply with the provisions of 2 CFR part 200 (and particularly 2 C.F.R. 200.302 titled "Financial Management"), Section 218.33, F.S., and include the following:

1. Accurate, current and complete disclosure of the financial results of this project or program.
2. Records that identify the source and use of funds for all activities. These records shall contain information pertaining to grant awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.
3. Effective control over and accountability for all funds, property and other assets. The Subrecipient shall safeguard all assets and assure that they are used solely for authorized purposes.
4. Comparison of expenditures with budget amounts for each Request for Funds (RFF). Whenever appropriate, financial information should be related to performance and unit cost data.
5. Written procedures to determine whether costs are allowed and reasonable under the provisions of the 2 CFR part 200 (and particularly 2 CFR 200 Subpart E titled "Costs Principles") and the terms and conditions of this Agreement.
6. Cost accounting records that are supported by backup documentation.

Competition

All procurement transactions must follow the provisions of 2 CFR §§ 200.318-200.327 and be conducted in a manner providing full and open competition. The Subrecipient shall be alert to conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids or requests for proposals shall be excluded from competing for such procurements. Awards must be made to the responsible and responsive bidder or offeror whose proposal is most advantageous to the program, considering the price, quality and other factors. Solicitations shall clearly set forth all requirements that the bidder or offeror must fulfill in order for the bid or offer to be evaluated by the Subrecipient. Any and all bids or offers may be rejected if there is a sound, documented reason.

Codes of Conduct

The Subrecipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer or agent shall participate in the selection, award or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated, has a financial or other interest in a tangible personal benefit from a firm considered for a contract. The officers, employees and agents of the Subrecipient shall neither solicit nor accept gratuities, favors or anything of monetary value from contractors or parties to subcontracts. The standards of conduct must provide for disciplinary actions to be applied for violations of the standards by officers, employees or agents of the Subrecipient. (*See* 2 CFR § 200.318(c)(1).)

Business Hours

The Subrecipient shall have its offices open for business, with the entrance door open to the public, and at least one employee on site at all reasonable times for business. "Reasonable" shall be construed according to circumstances, but ordinarily shall mean normal business hours of 8:00 a.m. to 5:00 p.m., local time, Monday through Friday.

Licensing and Permitting

All contractors or employees hired by the Subrecipient shall have all current licenses and permits required for all of the particular work for which they are hired by the Subrecipient.

Attachment I – Audit Requirements

The administration of resources awarded by DEO to the Subrecipient may be subject to audits and/or monitoring by DEO as described in this section.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR 200 Subpart F - Audit Requirements, and section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEO staff, limited scope audits as defined by 2 CFR §200.425, or other procedures. By entering into this Agreement, the Subrecipient agrees to comply and cooperate with any monitoring procedures or processes deemed appropriate by DEO. In the event DEO determines that a limited scope audit of the Subrecipient is appropriate, the Subrecipient agrees to comply with any additional instructions provided by DEO staff to the Subrecipient regarding such audit. The Subrecipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED. This part is applicable if the Subrecipient is a state or local government or nonprofit organization as defined in 2 CFR §200.90, §200.64, and §200.70.

1. A Subrecipient that expends \$750,000 or more in federal awards in its fiscal year must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. EXHIBIT 1 to this form lists the federal resources awarded through DEO by this agreement. In determining the federal awards expended in its fiscal year, the Subrecipient shall consider all sources of federal awards, including federal resources received from DEO. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR §§200.502-503. An audit of the Subrecipient conducted by the Auditor General in accordance with the provisions of 2 CFR §200.514 will meet the requirements of this Part.
2. For the audit requirements addressed in Part I, paragraph 1, the Subrecipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §§200.508-512.
3. A Subrecipient that expends less than \$750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. If the Subrecipient expends less than \$750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from Subrecipient resources obtained from other than federal entities).

PART II: STATE FUNDED. This part is applicable if the Subrecipient is a non-state entity as defined by Section 215.97(2), F.S.

1. In the event that the Subrecipient expends a total amount of state financial assistance equal to or in excess of \$750,000 in any fiscal year of such Subrecipient (for fiscal years ending June 30, 2017, and thereafter), the Subrecipient must have a state single or project-specific audit for such fiscal year in accordance with section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through DEO by this agreement. In determining the state financial assistance expended in its fiscal year, the Subrecipient shall consider all sources of state financial assistance, including state financial assistance received from DEO, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for federal program matching requirements.
2. For the audit requirements addressed in Part II, paragraph 1, the Subrecipient shall ensure that the audit complies with the requirements of section 215.97(8), F.S. This includes submission of a financial reporting

package as defined by section 215.97(2), F.S., and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the Subrecipient expends less than \$750,000 in state financial assistance in its fiscal year (for fiscal years ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of section 215.97, F.S., is not required. If the Subrecipient expends less than \$750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the Subrecipient's resources obtained from other than state entities).

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), F.S., State agencies may conduct or arrange for audits of state financial assistance that are in addition to audits conducted in accordance with Section 215.97, F.S. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

2 CFR Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to

construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689) - A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) - Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Attachment M

**State of Florida
Department of Economic Opportunity**

**Federally Funded
Community Development Block Grant
Disaster Recovery (CDBG-MIT) Subrogation Agreement**

This Subrogation and Assignment Agreement (“Agreement”) is made and entered into by and between the Town of Southwest Ranches (hereinafter referred to as “Subrecipient”) and the State of Florida, Department of Economic Opportunity (hereinafter referred to as “DEO”).

In consideration of Subrecipient’s receipt of funds or the commitment by DEO to evaluate Subrecipient’s application for the receipt of funds (collectively, the “Grant Proceeds”) under the DEO Community Development Block Grant-Mitigation Program (the “CDBG-MIT Program”) administered by DEO, Subrecipient hereby assigns to DEO all of Subrecipient’s future rights to reimbursement and all payments received from any grant, subsidized loan, lawsuit or insurance policies of any type or coverage or under any reimbursement or relief program related to or administered by the Federal Emergency Management Agency (“FEMA”) or the Small Business Administration (“SBA”) (singularly, a “Disaster Program” and collectively, the “Disaster Programs”) that was the basis of the calculation of Grant Proceeds paid or to be paid to Subrecipient under the CDBG-MIT Program and that are determined in the sole discretion of DEO to be a duplication of benefits (“DOB”) as provided in this Agreement.

The proceeds or payments referred to in the preceding paragraph, whether they are from insurance, FEMA or the SBA or any other source, and whether or not such amounts are a DOB, shall be referred to herein as “Proceeds,” and any Proceeds that are a DOB shall be referred to herein as “DOB Proceeds.” Upon receiving any Proceeds, Subrecipient agrees to immediately notify DEO who will determine in its sole discretion if such additional amounts constitute a DOB. If some or all of the Proceeds are determined to be a DOB, the portion that is a DOB shall be paid to DEO, to be retained and/or disbursed as provided in this Agreement. The amount of DOB determined to be paid to DEO shall not exceed the amount received from the CDBG-MIT Program.

Subrecipient agrees to assist and cooperate with DEO to pursue any of the claims Subrecipient has against the insurers for reimbursement of DOB Proceeds under any such policies. Subrecipient’s assistance and cooperation shall include but shall not be limited to allowing suit to be brought in Subrecipient’s name(s) and providing any additional documentation with respect to such consent, giving depositions, providing documents, producing record and other evidence, testifying at trial and any other form of assistance and cooperation reasonably requested by DEO. Subrecipient further agrees to assist and cooperate in the attainment and collection of any DOB Proceeds that the Subrecipient would be entitled to under any applicable Disaster Program.

If requested by DEO, Subrecipient agrees to execute such further and additional documents and instruments as may be requested to further and better assign to DEO, to the extent of the Grant Proceeds paid to Subrecipient under the CDBG-MIT Program, the Policies, any amounts received under the Mitigation Programs that are DOB Proceeds and/or any rights thereunder, and to take, or cause to be taken, all actions and to do, or cause to be done, all things requested by DEO to consummate and make effective the purposes of this Agreement.

Subrecipient explicitly allows DEO to request of any company with which Subrecipient held insurance policies, or FEMA or the SBA or any other entity from which Subrecipient has applied for or is receiving Proceeds, any non-public or confidential information determined to be reasonably necessary by DEO to monitor/enforce its interest in the rights assigned to it under this Agreement and give Subrecipient's consent to such company to release said information to DEO.

If Subrecipient (or any lender to which DOB Proceeds are payable to such lender, to the extent permitted by superior loan documents) hereafter receives any DOB Proceeds, Subrecipient agrees to promptly pay such amounts to DEO, if Subrecipient received Grant Proceeds under the CDBG-MIT Program in an amount greater than the amount Subrecipient would have received if such DOB Proceeds had been considered in the calculation of Subrecipient's award.

In the event that the Subrecipient receives or is scheduled to receive any subsequent Proceeds, Subrecipient shall pay such subsequent Proceeds directly to DEO, and DEO will determine the amount, if any, of such subsequent Proceeds that are DOB Proceeds ("Subsequent DOB Proceeds"). Subsequent Proceeds in excess of Subsequent DOB Proceeds shall be returned to the Subrecipient. Subsequent DOB Proceeds shall be disbursed as follows:

1. If the Subrecipient has received full payment of the Grant Proceeds, any Subsequent DOB Proceeds shall be retained by DEO.
2. If the Subrecipient has received no payment of the Grant Proceeds, any Subsequent DOB Proceeds shall be used by DEO to reduce payments of the Grant Proceeds to the Subrecipient, and all Subsequent DOB Proceeds shall be returned to the Subrecipient.
3. If the Subrecipient has received a portion of the Grant Proceeds, any Subsequent DOB Proceeds shall be used, retained and/or disbursed in the following order: (A) Subsequent DOB Proceeds shall first be used to reduce the remaining payments of the Grant Proceeds, and Subsequent DOB Proceeds in such amount shall be returned to the Subrecipient; and (B) any remaining Subsequent DOB Proceeds shall be retained by DEO.
4. If DEO makes the determination that the Subrecipient does not qualify to participate in the CDBG-MIT Program or the Subrecipient determines not to participate in the CDBG-MIT Program, the Subsequent DOB Proceeds shall be returned to the Subrecipient, and this Agreement shall terminate.

Once DEO has recovered an amount equal to the Grant Proceeds paid to Subrecipient, DEO will reassign to Subrecipient any rights assigned to DEO pursuant to this Agreement.

Subrecipient represents that all statements and representations made by Subrecipient regarding Proceeds received by Subrecipient shall be true and correct as of the date of the signing of this Agreement.

Warning: Any person who intentionally or knowingly makes a false claim or statement to HUD may be subject to civil or criminal penalties under 18 U.S.C. 287, 1001 and 31 U.S.C. 3729.

~ Remainder of this page is intentionally left blank ~

The person executing this Agreement on behalf of the Subrecipient hereby represents that he\she has received, read, and understands this notice of penalties for making a false claim or statement regarding Proceeds received by Subrecipient.

In any proceeding to enforce this Agreement, DEO shall be entitled to recover all costs of enforcement, including actual attorney's fees.

WHEREAS, CDBG-MIT funds made available for use by the Subrecipient under this Agreement constitute a subaward of the DEO Federal award, the use of which must be in accordance with requirements imposed by Federal statutes, regulations and the terms and conditions of DEO’s Federal award.

WHEREAS, the Subrecipient has legal authority to enter into this Agreement and by signing this Agreement, the Subrecipient represents and warrants to DEO that it will comply with all the requirements of the subaward described herein.

WHEREAS, all CDBG-MIT activities carried out by the Subrecipient will: (1) meet the definition of mitigation activities. For the purpose of this funding, mitigation activities are defined as those activities that increase resilience to disasters and reduce or eliminate the long-term risk of loss of life, injury, damage to and loss of property, and suffering and hardship, by lessening the impact of future disasters; (2) address the current and future risks as identified in DEO’s Mitigation Needs Assessment of most impacted and distressed area(s); (3) be CDBG-eligible activities under the HCDA or otherwise eligible pursuant to a waiver or alternative requirement; and (4) meet a national objective, including additional criteria for mitigation activities and a Covered Project.

NOW THEREFORE, DEO and the Subrecipient agree to the following:

(1) SCOPE OF WORK

The Scope of Work for this Agreement includes Attachment A, Project Description and Deliverables. With respect to Attachment B, Project Budget, and Attachment C, Activity Work Plan, the Subrecipient shall submit to DEO such Attachments in conformity with the current examples attached hereto as necessary and appropriate. Provided further, if there is a disagreement between the Parties, with respect to the formatting and contents of such attachments, then DEO's decisions with respect to same shall prevail, at DEO's sole and absolute discretion.

(2) INCORPORATION OF LAWS, RULES, REGULATIONS AND POLICIES

Subrecipient has diligently reviewed this Agreement and is a sophisticated organization having experience managing projects with funds made available through federal grants. Subrecipient is familiar with DEO's grant agreement with HUD, has reviewed applicable CDBG-MIT regulations and guidelines, will conduct, and will ensure its activities are in compliance with DEO's grant agreement with HUD and all applicable CDBG-MIT regulations and guidelines. Subrecipient agrees to abide by all applicable State and Federal laws, rules and regulations, as now in effect and as may be amended from time to time, including but not limited to, the Federal laws and regulations set forth in 24 CFR Part 570, applicable Federal Register Notices, the State's Action Plan, and all applicable CDBG-MIT regulations and guidelines.

Subrecipient shall ensure that all its activities under this Contract shall be conducted in conformance with these provisions, as applicable: 45 CFR Part 75, 29 CFR Part 95, 2 CFR Part 200, 20 CFR Part 601, 24 CFR Part 570 subpart I, *et seq.*, and all other applicable federal laws, regulations, and policies governing the funds provided under this Agreement as now in effect and as may be amended from time to time.

(3) PERIOD OF AGREEMENT

This Agreement is effective as of the date DEO executes this Agreement (the "Effective Date") and ends forty-eight (48) months after execution by DEO, unless otherwise terminated as set forth herein.

(4) RENEWAL AND EXTENSION

This Agreement shall not be renewed. DEO shall not grant any extension of this Agreement unless the Subrecipient provides justification satisfactory to DEO in its sole discretion and DEO's Director of the Division of Community Development approves such extension in writing

(5) MODIFICATION OF AGREEMENT

Modifications to this Agreement shall be valid only when executed in writing by the Parties. Any modification request by the Subrecipient constitutes a request to negotiate the terms of this Agreement. DEO may accept or reject any proposed modification based on DEO's sole determination and absolute discretion, that any such acceptance or rejection is in the State's best interest.

(6) RECORDS

(a) The Subrecipient's performance under this Agreement shall be subject to 2 CFR part 200 – Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards as now in effect and as may be amended from time to time.

(b) Representatives of DEO, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability,

and representatives of the Federal government and their duly authorized representatives shall have access to any of the Subrecipient's books, documents, papers and records, including electronic storage media, as they may relate to this Agreement, for the purposes of conducting audits or examinations or making excerpts or transcriptions.

(c) The Subrecipient shall maintain books, records, and documents in accordance with generally accepted accounting procedures and practices which sufficiently and properly reflect all expenditures of funds provided by DEO under this Agreement.

(d) The Subrecipient will provide to DEO all necessary and appropriate financial and compliance audits in accordance with Paragraph (7), Audit Requirements and Attachments I and J herein and ensure that all related party transactions are disclosed to the auditor.

(e) The Subrecipient shall retain sufficient records to show its compliance with the terms of this Agreement and the compliance of all subrecipients, contractors, subcontractors and consultants paid from funds under this Agreement for a period of six (6) years from the date DEO issues the final closeout for this award. The Subrecipient shall also comply with the provisions of 24 CFR 570.493 and 24 CFR 570.502(a)(7)(ii). The Subrecipient shall further ensure that audit working papers are available upon request for a period of six (6) years from the date DEO issues the final closeout of this Agreement, unless extended in writing by DEO. The six-year period may be extended for the following reasons:

1. Litigation, claim or audit initiated before the six-year period expires or extends beyond the six-year period, in which case the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.

2. Records for the disposition of non-expendable personal property valued at \$1,000 or more at the time of acquisition shall be retained for six (6) years after final disposition.

3. Records relating to real property acquired shall be retained for six (6) years after the closing on the transfer of title.

(f) The Subrecipient shall maintain all records and supporting documentation for the Subrecipient and for all contractors, subcontractors and consultants paid from funds provided under this Agreement, including documentation of all program costs in a form sufficient to determine compliance with the requirements and objectives of the scope of work and all other applicable laws and regulations.

(g) The Subrecipient shall either (i) maintain all funds provided under this Agreement in a separate bank account or (ii) ensure that the Subrecipient's accounting system shall have sufficient internal controls to separately track the expenditure of all funds from this Agreement. Provided further, that the only option available for advanced funds is to maintain such advanced funds in a separate bank account. There shall be no commingling of funds provided under this Agreement with any other funds, projects or programs. DEO may, in its sole discretion, disallow costs made with commingled funds and require reimbursement for such costs as described herein, Subparagraph (22)(e), Repayments.

(h) The Subrecipient, including all of its employees or agents, contractors, subcontractors and consultants to be paid from funds provided under this Agreement, shall allow access to its records at reasonable times to representatives of DEO, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability or representatives of the Federal government or their duly authorized representatives. "Reasonable" shall ordinarily mean during normal business hours of 8:00 a.m. to 5:00 p.m., local time, Monday through Friday.

(7) AUDIT REQUIREMENTS

(a) The Subrecipient shall conduct a single or program-specific audit in accordance with the provisions of 2 CFR part 200 if it expends seven hundred fifty thousand dollars (\$750,000) or more in Federal awards from all sources during its fiscal year.

(b) Within sixty (60) calendar days of the close of Subrecipient's fiscal year, on an annual basis, the Subrecipient shall electronically submit a completed Audit Compliance Certification to audit@deo.myflorida.com, and DEO's grant manager; a blank version of which is attached hereto as

Attachment J. The Subrecipient's timely submittal of one completed Audit Compliance Certification for each applicable fiscal year will fulfill this requirement within all agreements (e.g., contracts, grants, memorandums of understanding, memorandums of agreement, economic incentive award agreements, etc.) between DEO and the Subrecipient.

(c) In addition to the submission requirements listed in Attachment I, Audit Requirements, the Subrecipient shall send an electronic copy of its audit report to DEO's grant manager for this Agreement by June 30 following the end of each fiscal year in which it had an open CDBG-MIT subgrant.

(d) Subrecipient shall also comply with the Federal Audit Clearinghouse rules and directives, including but not limited to the pertinent Report Submissions provisions of 2 C.F.R 200.512, when such provisions are applicable to this Agreement.

(8) REPORTS

Subrecipient shall provide DEO with all reports and information set forth in Attachment G, Reports. The monthly reports and administrative closeout reports must include the current status and progress of Subrecipient and all subcontractors in completing the work described in Attachment A, Scope of Work, and the expenditure of funds under this Agreement. Within 10 calendar days of a request by DEO, Subrecipient shall provide additional program updates or information. Without limiting any other remedy available to DEO, if all required reports and copies are not sent to DEO or are not completed in a manner acceptable to DEO, payments may be withheld until the reports are completed to DEO's satisfaction. DEO may also take other action as stated in Paragraph (13) Remedies or otherwise allowable by law.

(9) INSPECTIONS AND MONITORING

(a) Subrecipient shall cooperate and comply with DEO, HUD, and auditors with any inspections and will immediately provide access to records and financial statements as deemed necessary by DEO, HUD, and their respective auditors at least in accordance with requirements of 2 CFR part 200 and 24 CFR 570.489.

(b) Subrecipient shall cooperate and comply with monitoring of its activities as deemed necessary by DEO to ensure that the subaward is used for authorized purposes in compliance with federal statutes, regulations, and this Agreement.

(c) Without limiting the actions DEO, HUD, or their respective investigators may take, monitoring procedures will include at a minimum: (1) reviewing financial and performance reports required by DEO; (2) following-up and ensuring Subrecipient takes timely and appropriate action on all deficiencies pertaining to the federal award provided to Subrecipient from DEO as detected through audits, on-site reviews and other means; and (3) issuing a management decision for audit findings pertaining to this Federal award provided to Subrecipient from DEO as required by 2 CFR §200.521.

(d) Corrective Actions: DEO may issue management decisions and may consider taking enforcement actions if noncompliance is detected during audits. DEO may require Subrecipient to take timely and appropriate action on all deficiencies pertaining to the federal award provided to Subrecipient from the pass-through entity as detected through audits, on-site reviews and other means. In response to audit deficiencies or other findings of noncompliance with this agreement, DEO may in its sole discretion and without advance notice, impose additional conditions on the use of the CDBG-MIT funds to ensure future compliance or provide training and technical assistance as needed to correct noncompliance. DEO may also take other action as stated in Paragraph (13) Remedies or otherwise allowable by law.

(10) DUPLICATION OF BENEFITS

Subrecipient shall not carry out any of the activities under this Agreement in a manner that results in a prohibited duplication of benefits as defined by Section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act of 1974 (42 U.S.C. 5155 *et seq.*) and described in Appropriations Acts. Subrecipient must comply with HUD's requirements for duplication of benefits, as described in the Federal Register and HUD guidance (including HUD training materials). Subrecipient shall carry out the activities under this

Agreement in compliance with DEO's procedures to prevent duplication of benefits. Subrecipient shall sign a Subrogation Agreement (See Attachment M).

(11) LIABILITY

(a) If Subrecipient is a state agency or subdivision, as defined in Section 768.28(2), F.S., pursuant to Section 768.28(19), F.S., neither Party indemnifies nor insures or assumes any liability for the other Party for the other Party's negligence.

(b) Subrecipient assumes sole responsibility for the training and oversight of the parties it deals with or employs to carry out the terms of this Agreement to the extent set forth in Section 768.28, Florida Statutes. Subrecipient shall hold DEO harmless against all claims of whatever nature arises from the work and services performed by third parties under this Agreement. For purposes of this Agreement, Subrecipient agrees that it is not an employee or agent of DEO but is an independent contractor.

(c) Subrecipient agrees to be fully responsible for its negligent or tortious acts or omissions, which result in claims or suits against DEO. Subrecipient agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in Section 768.28, F.S. Nothing herein shall be construed as consent by DEO to be sued by third parties in any matter arising out of any agreement, contract or subcontract.

(d) Nothing herein is intended to serve as a waiver of sovereign immunity by DEO or the Subrecipient.

(12) EVENTS OF DEFAULT

If any of the following events occur ("Events of Default"), DEO may, in its sole and absolute discretion, elect to terminate any obligation to make any further payment of funds, exercise any of the remedies available through this Agreement or pursue any remedy at law or in equity, without limitation:

(a) Any warranty or representation made by Subrecipient, in this Agreement or any previous agreement with DEO, is or becomes false or misleading in any respect, or if Subrecipient fails to keep or perform any of the obligations, terms, or covenants in this Agreement or any previous agreement with DEO or HUD, and/or has not cured them in timely fashion and/or is unable or unwilling to meet its obligations under this Agreement and/or as required by statute, rule, or regulation;

(b) Any material adverse change occurs in the financial condition of Subrecipient at any time during the term of this Agreement and the Subrecipient fails to cure this adverse change within thirty (30) calendar days from the date written notice is sent by DEO;

(c) If Subrecipient fails to submit any required report or submits any required report with incorrect, incomplete, or insufficient information or fails to submit additional information as requested by DEO;

(d) If Subrecipient fails to perform or timely complete any of its obligations under this Agreement, including participating in DEO's Implementation Workshop. The Parties agree that in the event DEO elects to make payments or partial payments after any Events of Default, it does so without waiving the right to exercise any remedies allowable herein or at law and without becoming liable to make any further payment.

(e) Neither Party shall be liable to the other for any delay or failure to perform under this Agreement if such delay or failure is neither the fault nor the negligence of the Party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available. However, in the event of delay from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party's performance obligation under this Agreement. If the delay is excusable under this paragraph, the delay will not result in any additional charge or cost under the Agreement to either Party. In the case of any delay

the Subrecipient believes is excusable under this paragraph, Subrecipient shall notify DEO in writing of the delay or potential delay and describe the cause of the delay either: (1) within ten (10) calendar days after the cause that creates or will create the delay first arose, if Subrecipient could reasonably foresee that a delay could occur as a result or (2) within five (5) calendar days after the date Subrecipient first had reason to believe that a delay could result, if the delay is not reasonably foreseeable. **THE FOREGOING SHALL CONSTITUTE SUBRECIPIENT'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. DEO, in its sole discretion, will determine if the delay is excusable under this paragraph and will notify Subrecipient of its decision in writing. No claim for damages, other than an extension of time, shall be asserted against DEO. Subrecipient shall not be entitled to an increase in the Agreement price or payment of any kind from DEO for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, Subrecipient shall perform at no increased cost, unless DEO determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to DEO or the State, in which case, DEO may do any or all of the following: (1) accept allocated performance or deliveries from Subrecipient, provided that Subrecipient grants preferential treatment to DEO with respect to products or services subjected to allocation; (2) purchase from other sources (without recourse to and by Subrecipient for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity or (3) terminate the Agreement in whole or in part.

(13) REMEDIES

If an Event of Default occurs, DEO may in its sole discretion and without limiting any other right or remedy available, provide thirty (30) calendar days written notice to the Subrecipient and if the Subrecipient fails to cure within those thirty (30) calendar days DEO may choose to exercise one or more of the following remedies, either concurrently or consecutively:

- (a) Terminate this Agreement upon written notice by DEO sent in conformity with Paragraph (17) Notice and Contact;
- (b) Begin any appropriate legal or equitable action to enforce performance of this Agreement;
- (c) Withhold or suspend payment of all or any part of a request for payment;
- (d) Demand Subrecipient return to DEO any funds used for ineligible activities or unallowable costs under this Agreement or any applicable law, rule or regulation governing the use of the funds; and
- (e) Exercise any corrective or remedial actions, including but not limited to:
 1. Request additional information from the Subrecipient to determine the reasons for or the extent of non-compliance or lack of performance;
 2. Issue a written warning to advise that more serious measures may be taken if the situation is not corrected; and/or
 3. Advise the Subrecipient to suspend, discontinue or refrain from incurring costs for any activities in question.
- (f) Exercise any other rights or remedies which may be otherwise available under law.

Pursuit of any of the above remedies does not preclude DEO from pursuing any other remedies in this Agreement or provided at law or in equity. Failure to exercise any right or remedy in this Agreement or failure by DEO to require strict performance does not affect, extend or waive any other right or remedy

available or affect the later exercise of the same right or remedy by DEO for any other default by the Subrecipient.

(14) DISPUTE RESOLUTION

DEO shall decide disputes concerning the performance of the Agreement, and document dispute decisions in writing and serve a copy of same to Subrecipient. All decisions are final and conclusive unless the Subrecipient files a petition for administrative hearing with DEO within twenty-one (21) days from the date of receipt of the decision. Exhaustion of administrative remedies prescribed in Chapter 120, F.S., is an absolute condition precedent to Subrecipient's ability to pursue any other form of dispute resolution; provided however, that the Parties may mutually agree to employ the alternative dispute resolution procedures outlined in Chapter 120, F.S.

(15) CITIZEN COMPLAINTS

The goal of DEO is to provide an opportunity to resolve complaints in a timely manner, usually within fifteen (15) business days of the receipt of the complaint as expected by HUD, if practicable, and to provide the right to participate in the process and appeal a decision when there is reason for an applicant to believe its application was not handled according to program policies. All applications, guidelines and websites will include details on the right to file a complaint or appeal and the process for filing a complaint or beginning an appeal.

Applicants are allowed to appeal program decisions related to one of the following activities:

- (a) A program eligibility determination,
- (b) A program assistance award calculation, or
- (c) A program decision concerning housing unit damage and the resulting program outcome.

Citizens may file a written complaint or appeal through the Office of Long-Term Resiliency email at CDBG-DR@deo.myflorida.com or submit by postal mail to the following address:

public records, provide DEO with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided by Chapter 119, F.S., or as otherwise provided by law. Subrecipient shall allow public access to all documents, papers, letters or other materials made or received by the Subrecipient in conjunction with this Agreement, unless the records are exempt from Article I, Section 24(a) of the Florida Constitution and Section 119.07(1), F.S. (d) If, for purposes of this Agreement, Subrecipient is a "contractor" as defined in Section 119.0701(1)(a), F.S. ("Subrecipient-contractor"), the Subrecipient-contractor shall transfer to DEO, at no cost to DEO, all public records upon completion including termination, of this Agreement or keep and maintain public records required by DEO to perform the service. If Subrecipient-contractor transfers all public records to the public agency upon completion of this Agreement, Subrecipient-contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. (h) If Subrecipient submits records to DEO that are confidential and exempt from public disclosure as trade secrets or proprietary confidential business information, such records should be identified as such by Subrecipient prior to submittal to DEO. Failure to identify the legal basis for each exemption from the requirements of Chapter 119, F.S., prior to submittal of the record to DEO serves as the Subrecipient's waiver of a claim of exemption. Subrecipient shall ensure public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for

the duration of this Agreement term and following completion of this Agreement if the Subrecipient-contractor does not transfer the records to DEO upon completion, including termination, of this Agreement.

(i) IF SUBRECIPIENT-CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE SUBRECIPIENT-CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS by telephone at 850-245-7140, via email at PRRequest@deo.myflorida.com, or by mail at Department of Economic Opportunity, Public Records Coordinator, 107 East Madison Street, Caldwell Building, Tallahassee, Florida 32399-4128.

DEO, in its sole discretion, has the right, but not the obligation, to enforce this indemnification provision.

(k) DEO does not endorse any Subrecipient, commodity, or service. Subject to Chapter 119, F.S., Subrecipient shall not publicly disseminate any information concerning this Agreement without prior written approval from DEO, including, but not limited to, mentioning this Agreement in a press release or other promotional material, identifying DEO or the State as a reference, or otherwise linking Subrecipient's name and either a description of the Agreement or the name of DEO or the State in any material published, either in print or electronically, to any other entity that is not a Party to this Agreement, except potential or actual employees, agents, representatives or subcontractors with the professional skills necessary to perform the work services required by the Agreement.

(l) Subrecipient shall comply with the requirements set forth in Section 119.0701, F.S., when entering into any public agency contract for services after the Effective Date of this Agreement. Subrecipient shall amend each of the Subrecipient's public agency contracts for services already in effect as of the Effective Date of this Agreement and which contract will or may be funded in whole or in part with any public funds. DEO may terminate this Agreement if the Subrecipient does not comply with this provision.

(b) E-Verify is an Internet-based system that allows an employer, using information reported on an employee's Form I-9, Employment Eligibility Verification, to determine the eligibility of all new employees hired to work in the United States. There is no charge to employers to use E-Verify. The Department of Homeland Security's E-Verify system can be found at:

(c) If the Recipient does not use E-Verify, the Recipient shall enroll in the E-Verify system prior to hiring any new employee or retaining any contract employee after the effective date of this Agreement.

All activities funded with CDBG-MIT funds must meet the criteria for one of the CDBG program's National Objectives. The Subrecipient certifies that the activities carried out under this Agreement shall meet the following national objectives and satisfy the following criteria:

Nothing in this Agreement is intended to or shall be deemed to constitute an employer/employee relationship, partnership or joint venture between the Parties. Subrecipient shall at all times remain an independent contractor with respect to the services to be performed under this Agreement. Nothing in this Agreement shall be construed to create any agency or employment relationship between DEO Subrecipient, its employees, subcontractors or agents. Neither Party shall have any right, power or authority to assume, create or incur any expense, liability or obligation, express or implied, on behalf of the other.

Attachment A – Project Description and Deliverables

1. PROGRAM DESCRIPTION: In April 2018, the U.S. Department of Housing and Urban Development (HUD) announced the State of Florida, Department of Economic Opportunity (DEO) would receive \$633,485,000 in funding to support long-term mitigation efforts following declared disasters in 2016 and 2017 through HUD's Community Development Block Grant Mitigation (CDBG-MIT) program. Awards will be distributed on a competitive basis targeting HUD designated Most Impacted and Distressed (MID) Areas, primarily addressing the Benefits to Low-to-Moderate Income (LMI) National Objective. Additional information may be found in the Federal Register, Vol. 84, No. 169

The Florida Department of Economic Opportunity (DEO) has apportioned the Federal Award to include the following initiatives: Critical Facility Hardening Program \$75,000,000; General Planning Support Program \$20,000,000; General Infrastructure Program \$475,000,000; and State Planning and Administration \$63,485,000.

This award had been granted under the **General Planning Support Program**. Projects eligible for, but not limited to, funding under this program are:

- Regional mitigation plans
- Modernization and resiliency planning
- Comprehensive, capital improvement, and community development plans
- Floodplain and wetland management plans
- Land use and urban environment plans
- Integration of mitigation plans with other planning initiatives

2. PROJECT DESCRIPTION: The Town of Southwest Ranches has been awarded Two Hundred Fifty Thousand Dollars and Zero Cents (**\$250,000.00**) in CDBG-MIT (Community Development Block Grant – Mitigation) funding to develop a Stormwater Master Plan (SWMP) to provide long-range comprehensive stormwater management planning. This will be achieved through the accumulation and evaluation of data such as topography, hydrology, stormwater inventory, tidal charting, and condition assessments of current flooding and water quality problem areas. The primary goal of the SWMP is to create a comprehensive document that clearly identifies and prioritizes areas of the town that require stormwater infrastructure, a path to reduce flood risk, an increase in water quality and attenuation, and help ensure compliance with drainage related aspects of the town's Comprehensive Plan. Once the flood prone areas have been identified and modeled, a capital improvement plan will be developed to assist with project prioritization.

The project will meet the Urgent Need National Objective with a service area LMI of 16.1%. Project is estimated to begin October 15, 2021, and will be completed 14 months after agreement execution. The team overseeing the project includes: Public Works Director, Community Services Manager, and selected contractor(s).

8. Non-discrimination

a. 24 CFR Part 6

The Subrecipient will comply with 24 CFR part 6, which implements the provisions of section 109 of title I of the Housing and Community Development Act of 1974 (Title I) (42 U.S.C. 5309). Section 109 provides that no person in the United States shall, on the ground of race, color, national origin, religion or sex, be excluded from participation in, be denied the benefits of or be subjected to discrimination under any program or activity funded in whole or in part with Federal financial assistance. The Subrecipient will adhere to the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. 6101-6107) (Age Discrimination Act) and the prohibitions against discrimination on the basis of disability under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) (Section 504). Section 109 of the HCDA makes these requirements applicable to programs or activities funded in whole or in part with CDBG-MIT funds. The Subrecipient shall ensure that its activities are consistent with requirements of Architectural Barriers Act and the Americans with Disabilities Act. The Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) requires certain Federal and Federally funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that ensure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed or altered with funds allocated or reallocated under this part after December 11, 1995 and meets the definition of "residential structure" as defined in 24 CFR 40.2 or the definition of "building" as defined in 41 CFR 101-19.602(a) is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (appendix A to 24 CFR part 40 for residential structures, and appendix A to 41 CFR part 101-19, subpart 101-19.6, for general type buildings).

The Americans with Disabilities Act (42 U.S.C. 12131; 47 U.S.C. 155, 201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

c. State and Local Nondiscrimination Provisions

The Subrecipient must comply with the Florida Small and Minority Business Assistance Act (§§ 288.703-288.706, F.S.); Title VI of the Civil Rights Act of 1964 (24 CFR part 1)

The specific nondiscrimination provisions at 24 CFR 1.4 apply to the use of these funds. The Subrecipient shall not intimidate, threaten, coerce or discriminate against any person for the purpose of interfering with any right or privilege secured by title VI of the Civil Rights Act of 1964 or 24 CFR part 1, or because he has made a complaint, testified, assisted or participated in any manner in an investigation, proceeding or hearing under 24 CFR part 1. (2) Assurances and Real Property Covenants

As a condition to the approval of this Agreement and the extension of any Federal financial assistance, the Subrecipient assures that the program or activities described in this Agreement will be conducted and the housing, accommodations, facilities, services, financial aid or other benefits to be provided will be operated and administered in compliance with all requirements imposed by or pursuant to this part 1.

If the Federal financial assistance under this agreement is to provide or is in the form of personal property or real property or interest therein or structures thereon, the Subrecipient's assurance herein shall obligate the Subrecipient or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases, the assurance shall obligate the Subrecipient for the period during which Federal financial assistance is extended pursuant to the contract or application. This assurance gives DEO and the United States a right to seek judicial enforcement of the assurance and the requirements on real property.

In the case of real property, structures or improvements thereon, or interests therein, acquired with Federal financial assistance under this Agreement or acquired with CDBG-MIT funds and provided to the Subrecipient under this Agreement, the instrument effecting any disposition by the Subrecipient of such real property, structures or improvements thereon, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If the Subrecipient receives real property interests or funds or for the acquisition of real property interests under this Agreement, to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance, the nondiscrimination requirements of this part 1 shall extend to any facility located wholly or in part in such space.

DEO shall provide Affirmative Action guidelines to the Subrecipient to assist in the formulation of such program. The Subrecipient shall submit a plan for an Affirmative Action Program for approval prior to the release of funds under this agreement.

The Subrecipient shall take the affirmative steps listed in 2 CFR 200.321(b)(1) through (5) to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible when the Subrecipient procures property or services under this agreement.

- or program, and (3) percentage and dollar amount of the total costs of the project or program that will be financed by nongovernmental sources.
- (f) Purchase of American-Made Equipment and Products: Contractor assures that, to the greatest extent practicable, all equipment and products purchased with funds made available under this Agreement will be American-made.
 - (g) The Consolidated Appropriations Act, 2010, Division E, Section 511 (Pub. L. 111-117), which prohibits distribution of federal funds made available under the Act to the Association of Community Organizations for Reform Now (ACORN) or its subsidiaries. The Continuing Appropriations Act, 2011, Sections 101 and 103 (Pub. L. 111-242), provides that appropriations made under Pub. L. 111-117 are available under the conditions provided by Pub. L. 111-117.
 - (h) Contract Work Hours and Safety Standards Act (40 U.S.C. §327–333) — If this Contract involves federal funding in excess of \$2,000 for construction contracts or in excess of \$2,500 for other contracts that involve the employment of mechanics or laborers, compliance with sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327–333), as supplemented by Department of Labor regulations (29 CFR Part 5) is required. Under section 102 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than 1 ½ times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Section 107 of the Act is applicable to construction work and provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
 - (i) Resource Conservation and Recovery Act (RCRA). Under RCRA (Pub. L. 94–580 codified at 42 U.S.C. 6962), state and local institutions of higher education, hospitals, and non-profit organizations that receive direct Federal awards or other Federal funds shall give preference in their procurement programs funded with Federal funds to the purchase of recycled products pursuant to the EPA guidelines.
 - (j) Immigration Reform and Control Act. Contractor shall comply with the requirements of the Immigration Reform and Control Act of 1986, which requires employment verification and retention of verification forms for any individuals hired who will perform any services under the contract.

When it is determined that the Subrecipient is in non-compliance with federal or state program requirements, the State may impose any of the additional conditions and/or requirements outlined in 2 CFR § 200.207.

Attachment F – Civil Rights Compliance

Fair Housing

As a condition for the receipt of CDBG-MIT funds, each Subrecipient must certify that it will "affirmatively further fair housing" in its community. A Subrecipient shall demonstrate its commitment to affirmatively further fair housing by implementing the actions listed below.

Each Subrecipient shall do the following:

1. Have in place a fair housing resolution or ordinance that covers all Federally protected classes (race, color, familial status, handicap, national origin, religion and sex);
2. Designate an employee as the Fair Housing Coordinator who is available during regular business hours to receive fair housing calls;
3. Publish the Fair Housing Coordinator's contact information quarterly in a newspaper of general circulation in the Subrecipient's jurisdiction so that people know who to call to ask fair housing questions or register a complaint. Alternatively, the Subrecipient can post the coordinator's contact information throughout the quarter on the home page of its website;
4. Establish a system to record the following for each fair housing call:
 - a) The nature of the call,
 - b) The actions taken in response to the call,
 - c) The results of the actions taken and
 - d) If the caller was referred to another agency, the results obtained by the referral agency;
5. Conduct at least one fair housing activity each quarter. Identical activities (see examples below) shall not be conducted in consecutive quarters; and
6. Display a fair housing poster in the CDBG-MIT Office. (This does not count as a fair housing activity.)

The Subrecipient shall ensure that the fair housing contact person has received training so that he/she can handle fair housing phone inquiries or refer the inquiries to the appropriate people/agencies. Records maintained by the contact will help the community do the following:

1. Define where discriminatory practices are occurring,
2. Help the community measure the effectiveness of its outreach efforts, and
3. Provide the community with a means to gain information that can be used to design and implement strategies that will eliminate fair housing impediments.

Examples of fair housing activities include the following:

1. Making fair housing presentations at schools, civic clubs and neighborhood association meetings;
2. Conducting a fair housing poster contest or an essay contest;
3. Manning a booth and distributing fair housing materials at libraries, health fairs, community events, yard sales and church festivals; and
4. Conducting fair housing workshops for city/county employees, realtors, bank and mortgage company employees, insurance agents and apartment complex owners.

Printing a fair housing notice on a utility bill is no longer accepted as a fair housing activity; however, mailing a DEO-approved fair housing brochure as an insert with utility bills will be accepted as an activity. Placing posters in public buildings does not meet the requirement for a fair housing activity.

The Subrecipient shall document its fair housing activities by keeping photographs, newspaper articles, sign-in sheets and copies of handouts in their CDBG-MIT project file and include information about the activities in the comment section of each quarterly report.

Equal Employment Opportunity

As a condition for the receipt of CDBG-MIT funds, each Subrecipient must certify that it and the contractors, subcontractors, subrecipients and consultants that it hires with CDBG-MIT funds will abide by the Equal Employment Opportunity (EEO) Laws of the United States. A Subrecipient shall demonstrate its commitment to abide by the laws through the actions listed below.

Each Subrecipient shall do the following:

1. Have in place an equal employment opportunity resolution or ordinance that protects its applicants and employees and the applicants and employees of its contractors, subcontractors, subrecipients and consultants from discrimination in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral and other aspects of employment, on the basis of race, color, religion, sex, national origin, disability, age or genetics;
2. Designate an employee as the EEO Coordinator who is available during regular business hours to receive EEO calls;
3. Publish the EEO Coordinator's contact information quarterly in a newspaper of general circulation in the Subrecipient's jurisdiction so that people know who to call to ask EEO questions or register a complaint. Alternatively, the Subrecipient can post the coordinator's contact information throughout the quarter on the home page of its website; and
4. Establish a system to record the following for each EEO call:
 - a) The nature of the call,
 - b) The actions taken in response to the call and
 - c) The results of the actions taken;
5. Each Subrecipient shall maintain a list of certified minority-owned business enterprises (MBE) and women-owned business enterprises (WBE) that operate in its region. The Subrecipient shall use this list to solicit companies to bid on CDBG-MIT-funded construction activities and shall provide a copy of the list to the prime contractor(s) to use when it hires subcontractors and consultants. The Department of Management Services maintains a list of certified minority- and women-owned businesses that can be used to develop a local MBE/WBE list at the following website: <https://osd.dms.myflorida.com/directories>.
6. Incorporate the Equal Employment Opportunity clause set forth in 41 CFR Part 60-1.4(b) into any contracts or subcontracts that meet the definition of "federally assisted construction contract" in 41 CFR 60-1.3.

Section 504 and the Americans with Disabilities Act (ADA)

As a condition for the receipt of CDBG-MIT funds, the Subrecipient must certify that it provides access to all federally funded activities to all individuals, regardless of handicap. The Subrecipient shall demonstrate its commitment to abide by the laws through the actions listed below.

The Subrecipient shall do the following:

1. Have in place a resolution or ordinance that is designed to eliminate discrimination against any person who:
 - a) Has a physical or mental impairment which substantially limits one or more major life activities,
 - b) Has a record of such an impairment or
 - c) Is regarded as having such an impairment;
2. Designate an employee as the Section 504/ADA Coordinator who is available during regular business hours to receive Section 504/ADA calls;
3. Publish the Section 504/ADA Coordinator's contact information quarterly in a newspaper of general circulation in the Subrecipient's jurisdiction so that people know who to call to ask Section 504/ADA questions or register a complaint. Alternatively, the Subrecipient can post the coordinator's contact information throughout the quarter on the home page of its website; and
4. Establish a system to record the following for each Section 504/ADA call:
 - a) The nature of the call,
 - b) The actions taken in response to the call and

- c) The results of the actions taken.

Section 504 prohibitions against discrimination (see 45 CFR part 84) apply to service availability, accessibility, delivery, employment and the administrative activities and responsibilities of organizations receiving Federal financial assistance. A Subrecipient of Federal financial assistance may not, on the basis of disability:

1. Deny qualified individuals the opportunity to participate in or benefit from Federally funded programs, services or other benefits,
2. Deny access to programs, services, benefits or opportunities to participate as a result of physical barriers, or
3. Deny employment opportunities, including hiring, promotion, training and fringe benefits, for which they are otherwise entitled or qualified.

The ADA regulations (Title II, 28 CFR part 35, and Title III, 28 CFR part 36) prohibit discrimination on the basis of disability in employment, State and local government, public accommodations, commercial facilities, transportation, and telecommunications. To be protected by the ADA, one must have a disability or have a relationship or association with an individual with a disability.

Title II covers all activities of state and local governments regardless of the government entity's size or receipt of Federal funding. Title II requires that State and local governments give people with disabilities an equal opportunity to benefit from all of their programs, services and activities (e.g. public education, employment, transportation, recreation, health care, social services, courts, voting and town meetings). State and local governments are required to follow specific architectural standards in the new construction and alteration of their buildings. They also must relocate programs or otherwise provide access in inaccessible older buildings, and communicate effectively with people who have hearing, vision or speech disabilities.

Title III covers businesses and nonprofit service providers that are public accommodations, privately operated entities offering certain types of courses and examinations, privately operated transportation and commercial facilities. Public accommodations are private entities who own, lease, lease to or operate facilities such as restaurants, retail stores, hotels, movie theaters, private schools, convention centers, doctors' offices, homeless shelters, transportation depots, zoos, funeral homes, day care centers and recreation facilities including sports stadiums and fitness clubs. Transportation services provided by private entities are also covered by Title III.

Section 3 - Economic Opportunities for Low- and Very Low-Income Persons

Each Subrecipient shall encourage its contractors to hire qualified low- and moderate-income residents for any job openings that exist on CDBG-MIT-funded projects in the community. The Subrecipient and its contractors shall keep records to document the number of low- and moderate-income people who are hired to work on CDBG-MIT-funded projects. The number of low- and moderate-income residents who are hired to work of the project shall be reported in the comment section of the quarterly report.

The following clause from 24 CFR § 135.38 is required to be included in CDBG-MIT-funded contracts of \$100,000 or more.

Section 3 Clause

1. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are Subrecipients of HUD assistance for housing.
2. The Parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
3. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or

workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

4. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
5. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
6. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default and debarment or suspension from future HUD assisted contracts.
7. With respect to work performed in connection with Section 3 covered Indian housing assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. § 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and Section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with Section 7(b).

Civil Rights Regulations

As a condition for the receipt of CDBG-MIT funds, each Subrecipient must certify that it will abide by the following Federal laws and regulations:

1. Title VI of the Civil Rights Act of 1964 – Prohibits discrimination by government agencies that receive Federal funding;
2. Title VII of the Civil Rights Act of 1964 – prohibits employment discrimination on the basis of race, color, religion, sex or national origin;

Financial Management

The Subrecipient's financial management system must comply with the provisions of 2 CFR part 200 (and particularly 2 C.F.R 200.302 titled "Financial Management"), Section 218.33, F.S., and include the following:

1. Accurate, current and complete disclosure of the financial results of this project or program.
2. Records that identify the source and use of funds for all activities. These records shall contain information pertaining to grant awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.
3. Effective control over and accountability for all funds, property and other assets. The Subrecipient shall safeguard all assets and assure that they are used solely for authorized purposes.
4. Comparison of expenditures with budget amounts for each Request for Funds (RFF). Whenever appropriate, financial information should be related to performance and unit cost data.

6. Cost accounting records that are supported by backup documentation.

Competition

All procurement transactions must follow the provisions of 2 CFR §§ 200.318-200.327 and be conducted in a manner providing full and open competition. The Subrecipient shall be alert to conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids or requests for proposals shall be excluded from competing for such procurements. Awards must be made to the responsible and responsive bidder or offeror whose proposal is most advantageous to the program, considering the price, quality and other factors. Solicitations shall clearly set forth all requirements that the bidder or offeror must fulfill in order for the bid or offer to be evaluated by the Subrecipient. Any and all bids or offers may be rejected if there is a sound, documented reason.

Codes of Conduct

The Subrecipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer or agent shall participate in the selection, award or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated, has a financial or other interest in a tangible personal benefit from a firm considered for a contract. The officers, employees and agents of the Subrecipient shall neither solicit nor accept gratuities, favors or anything of monetary value from contractors or parties to subcontracts. The standards of conduct must provide for disciplinary actions to be applied for violations of the standards by officers, employees or agents of the Subrecipient. (*See* 2 CFR § 200.318(c)(1).)

Business Hours

The Subrecipient shall have its offices open for business, with the entrance door open to the public, and at least one employee on site at all reasonable times for business. "Reasonable" shall be construed according to circumstances, but ordinarily shall mean normal business hours of 8:00 a.m. to 5:00 p.m., local time, Monday through Friday.

Licensing and Permitting

All contractors or employees hired by the Subrecipient shall have all current licenses and permits required for all of the particular work for which they are hired by the Subrecipient.

Attachment I – Audit Requirements

The administration of resources awarded by DEO to the Subrecipient may be subject to audits and/or monitoring by DEO as described in this section.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR 200 Subpart F - Audit Requirements, and section 215.97, F.S., as revised (see “AUDITS” below), monitoring procedures may include, but not be limited to, on-site visits by DEO staff, limited scope audits as defined by 2 CFR §200.425, or other procedures. By entering into this Agreement, the Subrecipient agrees to comply and cooperate with any monitoring procedures or processes deemed appropriate by DEO. In the event DEO determines that a limited scope audit of the Subrecipient is appropriate, the Subrecipient agrees to comply with any additional instructions provided by DEO staff to the Subrecipient regarding such audit. The Subrecipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED. This part is applicable if the Subrecipient is a state or local government or nonprofit organization as defined in 2 CFR §200.90, §200.64, and §200.70.

1. A Subrecipient that expends \$750,000 or more in federal awards in its fiscal year must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. EXHIBIT 1 to this form lists the federal resources awarded through DEO by this agreement. In determining the federal awards expended in its fiscal year, the Subrecipient shall consider all sources of federal awards, including federal resources received from DEO. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR §§200.502-503. An audit of the Subrecipient conducted by the Auditor General in accordance with the provisions of 2 CFR §200.514 will meet the requirements of this Part.
2. For the audit requirements addressed in Part I, paragraph 1, the Subrecipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §§200.508-512.
3. A Subrecipient that expends less than \$750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. If the Subrecipient expends less than \$750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from Subrecipient resources obtained from other than federal entities).

PART II: STATE FUNDED. This part is applicable if the Subrecipient is a non-state entity as defined by Section 215.97(2), F.S.

1. In the event that the Subrecipient expends a total amount of state financial assistance equal to or in excess of \$750,000 in any fiscal year of such Subrecipient (for fiscal years ending June 30, 2017, and thereafter), the Subrecipient must have a state single or project-specific audit for such fiscal year in accordance with section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through DEO by this agreement. In determining the state financial assistance expended in its fiscal year, the Subrecipient shall consider all sources of state financial assistance, including state financial assistance received from DEO, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for federal program matching requirements.
2. For the audit requirements addressed in Part II, paragraph 1, the Subrecipient shall ensure that the audit complies with the requirements of section 215.97(8), F.S. This includes submission of a financial reporting

package as defined by section 215.97(2), F.S., and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the Subrecipient expends less than \$750,000 in state financial assistance in its fiscal year (for fiscal years ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of section 215.97, F.S., is not required. If the Subrecipient expends less than \$750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the Subrecipient's resources obtained from other than state entities).

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), F.S., State agencies may conduct or arrange for audits of state financial assistance that are in addition to audits conducted in accordance with Section 215.97, F.S. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

Attachment L**2 CFR Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards**

Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to

construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended - Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689) - A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) - Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. **State of Florida
Department of Economic Opportunity**

**Federally Funded
Community Development Block Grant
Disaster Recovery (CDBG-MIT) Subrogation Agreement**

This Subrogation and Assignment Agreement (“Agreement”) is made and entered into by and between the Town of Southwest Ranches (hereinafter referred to as “Subrecipient”) and the State of Florida, Department of Economic Opportunity (hereinafter referred to as “DEO”).

In consideration of Subrecipient’s receipt of funds or the commitment by DEO to evaluate Subrecipient’s application for the receipt of funds (collectively, the “Grant Proceeds”) under the DEO Community Development Block Grant-Mitigation Program (the “CDBG-MIT Program”) administered by DEO, Subrecipient hereby assigns to DEO all of Subrecipient’s future rights to reimbursement and all payments received from any grant, subsidized loan, lawsuit or insurance policies of any type or coverage or under any reimbursement or relief program related to or administered by the Federal Emergency Management Agency (“FEMA”) or the Small Business Administration (“SBA”) (singularly, a “Disaster Program” and collectively, the “Disaster Programs”) that was the basis of the calculation of Grant Proceeds paid or to be paid to Subrecipient under the CDBG-MIT Program and that are determined in the sole discretion of DEO to be a duplication of benefits (“DOB”) as provided in this Agreement.

The proceeds or payments referred to in the preceding paragraph, whether they are from insurance, FEMA or the SBA or any other source, and whether or not such amounts are a DOB, shall be referred to herein as “Proceeds,” and any Proceeds that are a DOB shall be referred to herein as “DOB Proceeds.” Upon receiving any Proceeds, Subrecipient agrees to immediately notify DEO who will determine in its sole discretion if such additional amounts constitute a DOB. If some or all of the Proceeds are determined to be a DOB, the portion that is a DOB shall be paid to DEO, to be retained and/or disbursed as provided in this Agreement. The amount of DOB determined to be paid to DEO shall not exceed the amount received from the CDBG-MIT Program.

Subrecipient agrees to assist and cooperate with DEO to pursue any of the claims Subrecipient has against the insurers for reimbursement of DOB Proceeds under any such policies. Subrecipient’s assistance and cooperation shall include but shall not be limited to allowing suit to be brought in Subrecipient’s name(s) and providing any additional documentation with respect to such consent, giving depositions, providing documents, producing record and other evidence, testifying at trial and any other form of assistance and cooperation reasonably requested by DEO. Subrecipient further agrees to assist and cooperate in the attainment and collection of any DOB Proceeds that the Subrecipient would be entitled to under any applicable Disaster Program.

If requested by DEO, Subrecipient agrees to execute such further and additional documents and instruments as may be requested to further and better assign to DEO, to the extent of the Grant Proceeds paid to Subrecipient under the CDBG-MIT Program, the Policies, any amounts received under the Mitigation Programs that are DOB Proceeds and/or any rights thereunder, and to take, or cause to be taken, all actions and to do, or cause to be done, all things requested by DEO to consummate and make effective the purposes of this Agreement.

Subrecipient explicitly allows DEO to request of any company with which Subrecipient held insurance policies, or FEMA or the SBA or any other entity from which Subrecipient has applied for or is receiving Proceeds, any non-public or confidential information determined to be reasonably necessary by DEO to monitor/enforce its interest in the rights assigned to it under this Agreement and give Subrecipient's consent to such company to release said information to DEO.

If Subrecipient (or any lender to which DOB Proceeds are payable to such lender, to the extent permitted by superior loan documents) hereafter receives any DOB Proceeds, Subrecipient agrees to promptly pay such amounts to DEO, if Subrecipient received Grant Proceeds under the CDBG-MIT Program in an amount greater than the amount Subrecipient would have received if such DOB Proceeds had been considered in the calculation of Subrecipient's award.

In the event that the Subrecipient receives or is scheduled to receive any subsequent Proceeds, Subrecipient shall pay such subsequent Proceeds directly to DEO, and DEO will determine the amount, if any, of such subsequent Proceeds that are DOB Proceeds ("Subsequent DOB Proceeds"). Subsequent Proceeds in excess of Subsequent DOB Proceeds shall be returned to the Subrecipient. Subsequent DOB Proceeds shall be disbursed as follows:

1. If the Subrecipient has received full payment of the Grant Proceeds, any Subsequent DOB Proceeds shall be retained by DEO.
2. If the Subrecipient has received no payment of the Grant Proceeds, any Subsequent DOB Proceeds shall be used by DEO to reduce payments of the Grant Proceeds to the Subrecipient, and all Subsequent DOB Proceeds shall be returned to the Subrecipient.
3. If the Subrecipient has received a portion of the Grant Proceeds, any Subsequent DOB Proceeds shall be used, retained and/or disbursed in the following order: (A) Subsequent DOB Proceeds shall first be used to reduce the remaining payments of the Grant Proceeds, and Subsequent DOB Proceeds in such amount shall be returned to the Subrecipient; and (B) any remaining Subsequent DOB Proceeds shall be retained by DEO.
4. If DEO makes the determination that the Subrecipient does not qualify to participate in the CDBG-MIT Program or the Subrecipient determines not to participate in the CDBG-MIT Program, the Subsequent DOB Proceeds shall be returned to the Subrecipient, and this Agreement shall terminate.

Once DEO has recovered an amount equal to the Grant Proceeds paid to Subrecipient, DEO will reassign to Subrecipient any rights assigned to DEO pursuant to this Agreement.

Subrecipient represents that all statements and representations made by Subrecipient regarding Proceeds received by Subrecipient shall be true and correct as of the date of the signing of this Agreement.

Warning: Any person who intentionally or knowingly makes a false claim or statement to HUD may be subject to civil or criminal penalties under 18 U.S.C. 287, 1001 and 31 U.S.C. 3729.

~ Remainder of this page is intentionally left blank ~

The person executing this Agreement on behalf of the Subrecipient hereby represents that he\she has received, read, and understands this notice of penalties for making a false claim or statement regarding Proceeds received by Subrecipient.

In any proceeding to enforce this Agreement, DEO shall be entitled to recover all costs of enforcement, including actual attorney's fees.
